## **ARTICLE IV MEMBERS AND MEMBERSHIP**

1. Non-stock Corporation. Participation in management and ownership of the Association shall be by membership only. The Association shall issue no stock and shall have no shareholders.

2. Membership. The Owner of a Lot shall automatically, upon becoming an Owner, be a Member of the Association, and shall remain a Member thereof until such time as its ownership ceases for any reason, at which time its membership in the Association shall automatically cease. Membership shall be in accordance with these Articles of Incorporation and the Bylaws of the Association.

3. Transferred Membership. Membership in the Association shall not be transferred, pledged, or alienated in any way, except upon the transfer of ownership of the Lot to which it is appurtenant, and then only to the new Owner. Any attempt to make a prohibited transfer is void. In the event the Owner of any Lot should fail or refuse to transfer the membership registered in its name to the purchaser of its Lot, the Association shall have the right to record the transfer upon its books and thereupon the old membership outstanding in the name of the seller shall be null and void.

4. Classes of Membership. The Association shall have two (2) primary classes of voting membership, established as follows:

Class A Membership. Class A Membership shall be that held by each Owner of a Lot other than the Declarant, and each Class A Member shall be entitled to one (1) vote for each Lot owned.

Class B Membership. Class B Membership shall be that held by the Declarant (or its successor-in-interest with respect to the Project), which shall be entitled to three (3) votes for each Lot owned by the Declarant; provided, that Class B Membership shall be converted to Class A Membership and shall forever cease to exist on the occurrence of whichever of the following is first in time:

On the fifteenth (15) anniversary of the recordation of the Declaration or of the Declaration of the Declaration of Annexation for the most recently annexed Phase of the Project.

Additionally, the Board shall have the power to establish limited voting rights for owners of land outside the Project, allowing such owners to vote on specific matters relating to the services provided.

5. Voting Requirements. Any action by the Association which must have the approval of the Association membership before being undertaken, shall require the vote of a majority of the votes entitled to be cast by the Members present or represented by proxy at a meeting at which a quorum is present (both classes combined), unless a greater proportion or a different tabulation of votes is required by these Articles of Incorporation, the Declaration, the Bylaws, or the laws of the State of Idaho.

If a Lot is owned by more than one (1) person, each such person shall be a Member of the Association, but the voting power attributable to that Lot shall not be increased by the joint ownership, and the vote of that Lot shall not be split. If the Owners of a particular Lot present at a meeting, in person or by proxy, cannot agree on how to vote on a specific matter, no vote shall be exercised by the Lot on that matter.

6. Limitation of Payment to Dissenting Member. Membership in the Association is appurtenant to and cannot be segregated from ownership of a Lot within the jurisdiction of the Association. Except upon dissolution of the Association, a dissenting Member shall not be entitled to any return of any contribution or other interest in the Association.
