RE: 1-A Mental Health Services and Counseling Inc.
Subj: Change of Owners.

To whom this may concern,

I am writing in regards to a change of ownership regarding 1-A Mental Health Services and Counseling Inc. This company was formerly known as Lean on Me Inc., and the name change took place on January 5th, 2017.

The ownership change took place on November 30th, 2016. I, Anna Davenport, would like it to be made clear that I have not had any ownership of this company since the date previously stated, because I sold out to the other owner, Marilyn Standfield. When the annual report was filed, I was still listed as a secretary of 1-A Mental Health Services and Counseling Inc. I would like to be removed as secretary as soon as possible.

Sincerely,

Anna Davenport
