Empowered by Lenox Strong, our mission is to speak up for those who cannot speak for themselves whilst nurturing the Youth to become beacons of light, illuminating the world with their potential and resilience. Our goal is to raise money in our community to give back to the youth. Our community is trying to pass a bond to build a new school; we want to help this movement by raising a minimum of \$20,000 to equip 1 classroom with everything it needs. We want to equip as many rooms as we can, however, then we can name them after children who have passed away who didn't get to go to/ or finish school, allowing their names to be honored/ remembered.
