Dear Mr Cenarrusa,

Please remove my name from any listing of a corporation named Family Unity Now dba Family Fest. The reason for my removal is that I was not made aware of the financial commitments of the corporation. These obligations were to artists and speakers as well as to the many local businesses and other entities. Larry Lindstrand acted on his own and obligated himself in his dealings with these creditors.

My involvement with Family Unity Now was in a professional sense as a public accountant and my responsibilities included the timely filing of all tax returns, the preparation of payroll checks, the filing of all payroll reports and bookkeeping. These have all been completed in a timely fashion. These responsibilities are the same as I have with many other businesses in the Treasure Valley. I was never consulted regarding the hiring of any of the artists or speakers nor was my opinion ever sought regarding the facilities to be used, etc.

Please consider this to be an official letter of resignation for purposes of removing my name and clearing the records.

If you need to contact me for any reason , please give me a call.

Sincerely,

Michael S Locknane
