(v) arrange with ML Leasing to provide the ML Leasing Loan in a principal amount equal to the product of the number of Units purchased by the Electing Limited Partner multiplied by \$44,440, plus 1/40th of such amount (representing the General Partner's portion of the ML Leasing Loan), and bearing interest at 15.95 percent per annum and to pay ML Leasing out of the loan proceeds a loan origination fee equal to one percent (1%) of the principal amount of the ML Leasing Loan and a loan commitment fee of \$100,000 for making such loan available at a fixed rate;

(vi) to the extent that management, maintenance or marketing of the Displays is not at the time being performed pursuant to the Management Agreement, enter into agreements with, and pay fees to, the General Partner or any of its Affiliates for such services (it being understood that the provision of such management, maintenance or marketing services does not constitute a part of the duty or obligations of the General Partner as general partner of the Partnership), provided, however, that (a) any such fees shall be paid only for services actually rendered, (b) except for the interim provision of such services, the Partnership shall contract with

the General Partner or any of its Affiliates for the performance of such services only if the General Partner or such Affiliate is then engaged in, or commanding in a bona fide manner, the performance of such services as an ordinary and ongoing business, and (e) any fees or other compensation payable by the Partnership to the General Partner or any of its Affiliates for such services shall be in amounts which are reasonably comparable to and competitive with the fees and charges customarily charged in arm's-length transactions by unrelated persons for comparable services in comparable transactions, and not in excess of the amounts customarily charged by the General Partner or such Affiliate to unrelated persons for comparable services in comparable transactions;

(vii) borrow money or property from the General Partner or its Affiliates, provided that the interest or other consideration paid by the Partnership on any such borrowing shall not exceed, except as permitted in (v) above, the lesser of (a) the cost of such funds or property to the General Partner or the Affiliate taking into account a reasonable spread to reflect the General Partner's or such Affiliate's internal cost of borrowing and administrative expenses incurred in connection with making such funds available and (b) the cost of such funds or property that would be charged by a third-party lender in an arm's-length transaction; and

(viii) pay or cause others to pay the General Partner or any of its Affiliates fees for services in connection with the refinancing of any Partnership indebtedness, or reimburse or cause others to reimburse the General Partner or any of its Affiliates for out-of-pocket expenses incurred by the General Partner or such Affiliate in connection with any such refinancing, or enter into any refinancing of Partnership indebtedness in connection with which the General Partner or any of its Affiliates will receive any such refinancing fee or reimbursement of expenses; provided, however, that any such fees shall be paid only for services actually rendered.

3.4.3 Notwithstanding any other provision of this Agreement, the following transactions are expressly prohibited:

(i) the Partnership shall not purchase or lease property from the General Partner or any of its Affiliates, or acquire property from any person (a) that was formed and is operated primarily to invest in and deal with such property and (b) in which the General Partner or any Affiliate of the General Partner has an interest, except on terms at least as favorable to the Partnership as those that could be obtained from unrelated third parties or which the General Partner or such Affiliate would charge independent third parties for such property;

(ii) the Partnership shall not make any loans to, or investments in, or sell or lease property to, the General Partner or any of its Affiliates, unless such undertakings arise in the ordinary course of the Partnership's business;

(iii) no rebates, "give-ups" may be received by the General Partner or any of its Affiliates, nor may the General Partner or any of its Affiliates participate in any reciprocal business arrangements which would have the effect of circumventing any of the provisions of this Agreement;

(iv) expenses of the Partnership shall be billed directly to and paid by the Partnership, and, except as permitted by Section 141, no reimbursements shall be made therefore to the General Partner or any of its Affiliates; and

(v) no agent, auditor, accountant or other independent consultant or contractor who is also employed on a full-time basis by the General Partner or any of its Affiliates shall be compensated directly by the Partnership for his services.

the Partnership. The General Partner shall cause the Partnership to pay any taxes payable by the Partnership; provided, however, that the General Partner shall not be required to cause the Partnership to pay any tax so long as the General Partner acting on behalf of the Partnership is in good faith and by appropriate legal proceedings contesting in the proper forum the validity, applicability or amount thereof and such contest does not materially endanger any right or interest of the Partnership.

3.6.4 The General Partner shall, from time to time, submit or cause others to submit in a prompt and timely manner to any regulatory authority having jurisdiction, all documents, papers, statistics and reports required to be filed with or submitted to such regulatory authority.

3.6.5 The General Partner shall use its best efforts to ensure that in all correspondence, contracts, agreements and other documents relating to the Partnership (i) it shall plainly appear, or be so stated, that the Partnership is a limited partnership organized under the Partnership Act, (ii) the full name of the Partnership shall at all times be used and (iii) whenever appropriate it shall be expressly stated that, for purposes of determining the liability of the Limited Partners, the Partnership Act shall be controlling.

3.7 Tax Status of Partnership.

3.7.1 The General Partner represents and warrants that it presently has, and covenants and agrees that it shall use its best efforts at all times in the future to maintain (so long as it is a General Partner of the Partnership), a net worth (computed by reference to current fair market values and exclusive of its interest in the Partnership and of its interest in any other limited partnership of which it is the general partner and exclusive of its interest in contracts and rates receivable from and payable to the Partnership or any such other limited partnership) in an amount equal to ten percent (10%) of the aggregate of the Capital Contributions of all of the Partners and of all capital contributions by the partners to all other limited partnerships of which the General Partner is a general partner.

3.7.2 The General Partner covenants and agrees that it will use its best efforts to establish and maintain the classification of the Partnership as a partnership for federal income tax purposes and not as a corporation taxable as a corporation.

3.8 Compensation of the General Partner. The exclusive compensation of the General Partner in managing the business of the Partnership and in performing its duties hereunder shall be as provided in Section 3.4. The General Partner shall be responsible for paying any compensation to its directors, officers or employees from its annual administrative fee. The General Partner shall not receive any profits or distribution from the Partnership except for allocations to which it may be entitled under Section 6.8 and Article IX hereof.

3.9 Indemnification. To the extent permitted by law, neither the General Partner, its Affiliates, nor any of their respective shareholders, officers, directors, partners, employees or agents shall be liable, in damages or otherwise, to the Partnership or to any of the Limited Partners for any act or omission performed or omitted by the General Partner pursuant to the authority granted by this Agreement, except if such act or omission results from gross negligence, willful misconduct or bad faith. To the extent permitted by law, the Partnership shall indemnify, defend and hold harmless the General Partner, its Affiliates or such other persons, from and against any and all claims or liabilities of any nature whatsoever (including attorneys' fees, costs of investigation, fines, judgments and amounts paid in settlement, actually and reasonably incurred by the General Partner, its Affiliates or such other persons) arising out of or in connection with any action taken or omitted by the General Partner, its Affiliates or such other persons pursuant to the authority granted by this Agreement, except where attributable to the gross negligence, willful misconduct or bad faith of the General Partner, its Affiliates or such other persons. The General Partner shall be entitled to rely

on the advice of counsel, public accountants or other independent experts experienced in the matter at issue and may not or minimize the risk of the General Partner pursuant to such advice shall in no event subject the General Partner to liability to the Partnership or any Limited Partner. The indemnification provided by this Section 3.0 shall be recoverable only out of the assets of the Partnership and shall be without recourse to the Partners.

3.10 Contribution. In order to provide for just and equitable contribution, if (i) a claim for indemnification pursuant to Section 3.0 hereof (subject to the limitations thereof) is made by any party entitled to make such claim but it is held in a final judicial determination, not subject to further appeal, or in settlement that such indemnification may not be enforced in such case, even though this Agreement expressly provides for indemnification in such case, or (ii) contribution may be sought under the Securities Act of 1933 (the "Securities Act"), the Securities Exchange Act of 1934 (the "Exchange Act"), or otherwise by any party entitled to make a claim for indemnification under Section 3.0, then the Partnership shall contribute to the aggregate losses, liabilities, claims, damages or expenses to which such party may be subject (after contribution from others) in the proportion and the extent of the relative fault of the General Partner and the Partnership therefor. This Section 3.10 is intended to supersede any right to contribution under the Securities Act, the Exchange Act or otherwise. If the full amount of the contribution specified in this Section 3.10 is not permitted by law, then the party seeking contribution shall be entitled to contribution hereunder to the full extent of such contribution permitted by law. The contribution provided by this Section 3.10 shall be recoverable only out of the assets of the Partnership and shall be without recourse to the Partners.

3.11 Removal of General Partner. The General Partner may be removed only for cause and only by action of the Limited Partners whose Voting Rights aggregate more than fifty percent (50%). For purposes hereof, "cause" shall mean any action by the General Partner consisting of fraud against the Partnership, the General Partner's conviction of a felony, or any reckless or wilful material violation by the General Partner of the specific terms of this Agreement that is adverse to the Limited Partners, and action of the Limited Partners shall mean notice by written instrument signed by the requisite number of Limited Partners specifically setting forth the cause for removal. Before removal of the General Partner pursuant hereto at any time prior to January 1, 1990, a successor as general partner shall have been selected by action of the Limited Partners whose Voting Rights aggregate more than fifty percent (50%). In the event of removal of the General Partner on or subsequent to January 1, 1990, the Partnership shall be dissolved, unless reconstituted by selection of a new general partner as provided in Section 9.8. The General Partner, even though removed, shall remain entitled to rely upon the advice of counsel, public accountants or other experts pursuant to Section 3.0 and to indemnification from the Partnership pursuant to Section 3.0 with respect to any matter arising prior to its removal.

3.12 Officer's Certificate of the General Partner. Any person or entity dealing with the Partnership or the General Partner may rely upon a certificate signed by an officer of the General Partner, thereunto duly authorized, as to:

- (i) the identity of the General Partner or any Limited Partner;
- (ii) the existence or non-existence of any fact or facts which constitute a condition precedent to any acts of the General Partner or are otherwise germane to the affairs of the Partnership;
- (iii) the persons or entities who are authorized to execute and deliver any instrument or document of the Partnership; or
- (iv) any act or failure to act by the Partnership or any other matter whatsoever involving the Partnership or any Partner.

3.13 Other Activities of the Partnership and the Partners.

3.13.1 The General Partner shall not engage in any activity other than serving as general partner of the Partnership.

111111

3.13.3 Each Limited Partner may engage in, invest in any other activity or venture of any nature or description, or possess any interest therein, independently or with others; provided, however, that no Limited Partner or any member of his or her family (within the meaning of the attribution rules set forth in section 318 of the Code) shall at any time, either directly or indirectly, own any stock or other interest in the General Partner or in any Affiliate of the General Partner if such ownership by itself or in conjunction with other stock or other interest owned by other Limited Partners, would exceed more than twenty percent (20%) of the stock of the General Partner or its Affiliates. The General Partner shall be entitled to make such reasonable inquiry of the Limited Partners as is required to establish compliance by the Limited Partner with the provisions of this Section 3.13.3 and intends to reject subscriptions for Units if their aggregate might result in Limited Partners owning in the aggregate, directly or indirectly, twenty percent (20%) or more of the stock of Merrill Lynch & Co., Inc.

3.13.4 Neither the Partners, the Partnership, nor any Affiliate of any Partner or of the Partnership shall have any duty or obligation to disclose or offer to the Partnership or the Partners, or obtain for the benefit of the Partnership or the Partners, any other venture or activity or interest therein and the Partnership, the Partners, the creditors of the Partnership and any other person having any interest in the Partnership shall not have any rights to or to any independent venture of any Partner or interest therein or the income or profits.

ARTICLE IV CAPITAL CONTRIBUTIONS

4.1 Capital Contribution of the General Partner. The General Partner shall make an aggregate Capital Contribution to the Partnership in cash in an amount equal to one percent of the aggregate Capital Contributions of all Partners to the Partnership. Such aggregate Capital Contributions shall be payable in four equal installments with the first installment due at the date of the admission of the Limited Partners to the Partnership and the second, third and fourth installments due on the same dates as the scheduled due dates of the Electing Limited Partner's Deferred Payment Obligation, as set forth in Section 4.2.1(ii) hereof. Each such installment payment will be in that amount which, when combined with the aggregate amount of all prior Capital Contributions made by the General Partner, will equal at least one percent of the aggregate Capital Contributions of all Partners to the Partnership made at or prior to the time of such installment payment. The General Partner's Capital Contribution is as reflected in Schedule B.

4.2 Initial Capital Contributions of the Limited Partners.

4.2.1 The names, residence or business address, number of Units and the Initial Capital Contributions of each Limited Partner as of the date of this Agreement are set forth in Schedule A annexed hereto.

4.2.2 The Initial Capital Contributions of the Limited Partners may be made, at the election of each such Limited Partner, by either of the methods described below:

(i) **Cash Payment Contribution.** Under the first alternative, the Cash Payment Contribution, the Limited Partner shall deliver to the Partnership, upon admission of such Limited Partner to the Partnership, cash in the amount of either (a) \$50,000 per Unit subscribed for or (b), in the case of Units subscribed for by officers, directors, employees or Affiliates of BRAE Corporation or ASBd for which no commission is due under the terms of the Agency Agreement ("Non-Commission Units"), \$45,700 per Unit subscribed for.

(ii) **Deferred Payment Contribution.** Under the second alternative, the Deferred Payment Contribution, an Electing Limited Partner shall deliver to the Partnership, upon admission of such

Electing Limited Partner to the Partnership, cash in the amount of \$0,000 (\$1,750, in the case of Non-Commission Units) per Unit subscribed for and, in payment of such Electing Limited Partner's Deferred Payment Obligation, cash in accordance with the following installment payment schedule:

Deferred Payment Obligation

Due Date of Installment	Amount of Installment Per Unit Subscribed For
February 21, 1943	\$22,063
February 21, 1946	15,170
February 21, 1947	12,945
Total Deferred Payment Obligation	\$50,178

4.23 The obligation of an Electing Limited Partner to pay any installment of his Deferred Payment Obligation at the applicable due date set forth in Section 4.22(4) shall be the personal obligation of such Limited Partner directly enforceable against such Limited Partner by either the General Partner or ML Leasing. Payment of any such installment by the Electing Limited Partner directly to such person or entity extending credit pursuant to this Section 4.23 shall be treated as a payment of an amount of such Electing Limited Partner's Deferred Payment Contribution to the Partnership under Section 4.22.

4.24 The obligation of an Electing Limited Partner to pay the installments of his Deferred Payment Obligation at the applicable due dates set forth in Section 4.22(4) shall be secured by such Electing Limited Partner's Unit(s) in the Partnership. Each such Electing Limited Partner shall be required to enter into a security agreement and to execute a Financing Statement on Form UCC-L. The Partnership shall pledge to ML Leasing the Deferred Payment Obligations and the Partnership's first security interest in the Units of the Electing Limited Partners as the sole security for the ML Leasing Loan.

4.25 In the event that an Electing Limited Partner shall fail to pay any installment of his Deferred Payment Obligation that such Electing Limited Partner shall be required to pay to the Partnership pursuant to Section 4.23 on or before the applicable due date, then such Electing Limited Partner (hereinafter referred to as a "Defaulting Limited Partner") shall be deemed to have immediately defaulted in the making of his Deferred Payment Obligation with the effect described below. Without any required notice from the General Partner or consent or any other action required on the part of the Defaulting Limited Partner (and each Electing Limited Partner by execution of this Agreement expressly consents to the operation of the provisions of this Section 4.25) such Defaulting Limited Partner's entire interest in the Partnership shall be suspended and subject to foreclosure and such Defaulting Limited Partner shall not be entitled to receive any allocation of any Net Income, Gain, Net Loss or Loss under Section 8.1 for any period subsequent to such default or to receive any Distributions under Section 8.8 for the Fiscal Year in which such default occurred or in any subsequent Fiscal Year, provided, however, that at the discretion of the General Partner, the General Partner may, but need not, waive default if the Electing Limited Partner pays the amount of his Deferred Payment Obligation then due prior to foreclosure upon and sale of such Defaulting Limited Partner's Unit or Units, in which case such Defaulting Limited Partner shall be entitled to receive all such allocations and Distributions previously suspended. The Partnership, at the sole discretion of the General Partner, or ML Leasing, as pledges of the Partnership's security interest in such Defaulting Limited Partner's Unit(s), may offer such Limited Partner's entire interest in the Partnership for sale to any person ("a Purchaser") who meets all of the requirements of an assignee or substituted Limited partner set forth in Article VII of this Agreement, in which event the proceeds of such sale shall be applied first to the payment of any expenses of such sale, second, to the payment of that installment of the Defaulting Limited Partner's Deferred Payment Obligation which is then due and payable, and the balance, if any, shall be remitted to the Defaulting Limited Partner.

4.2.6 In the event of a sale or assignment of the Defaulding Limited Partner's Partnership interest in accordance with the procedure set forth in Section 4.1.8, the Purchaser shall become an assignee or substituted limited partner in the Partnership, as the case may be, with all the rights and obligations of an assignee or substituted limited partner set forth in Article VIII hereof. The Purchaser will be obligated to pay any outstanding installments of the Deferred Payment Obligation with respect to such interest as such installments become due and payable in accordance with Section 4.2.5(ii) and will be entitled to receive all subsequent Distributions attributable to the interest of the Defaulding Limited Partner and all subsequent allocations of Net Income, Gain, Net Loss or Loss; provided, however, that any allocations of Net Income, Gain, Net Loss or Loss which may not validly be allocated to such Purchaser shall be allocated to non-defaulding Partners (General and Limited) in accordance with their interests in the Partnership.

4.2.7 Notwithstanding the provisions of Section 4.2.5 and 4.2.6, the obligation of the Defaulding Limited Partner to pay his Deferred Payment Obligation to the Partnership pursuant to Section 4.2.3 shall not be extinguished until, and only to the extent that, payment of that amount of the Deferred Payment Obligation then in default is actually made to the Defaulding Limited Partner's stead by the Purchaser under Section 4.2.3. In addition, the Defaulding Limited Partner will remain personally liable for any Additional Capital Contributions to the Partnership, notwithstanding any pledge, sale or assignment of his Units, which arose prior to the time such pledges, assignments or Purchaser of his Units is admitted as a substituted limited partner of the Partnership under Section 8.5 hereof.

4.2.8 In the event that there is no Purchaser of the Defaulding Limited Partner's interest in the Partnership, or that the amounts which any Purchaser agrees to pay for such interest are less than the amount of the installments of the Defaulding Limited Partner's Deferred Payment Obligation then due and owing, or that the unpaid installment of the Defaulding Limited Partner's Deferred Payment Obligation is not paid in the Defaulding Limited Partner's stead, then the Partnership or ML Leasing, as pledgees of the Defaulding Limited Partner's Units, may avail themselves of any appropriate legal remedies at law or equity to compel payment of such unpaid Deferred Payment Contribution from the Defaulding Limited Partner, plus interest at the rate of 20% per annum, or, if lower, the then maximum interest rate permitted by applicable law from the time such installment became due, together with reasonable court costs and legal fees in the event of litigation against the Defaulding Limited Partner.

4.3 Additional Capital Contributions.

4.3.1 Each Limited Partner shall have the obligation, severally but not jointly, to make Additional Capital Contributions in an aggregate amount not to exceed \$110,000 for each Unit owned by such Limited Partner to the extent that the Partnership does not have sufficient assets to pay or satisfy recourse obligations then due, unless the obligees of such obligations have expressly waived any rights to proceed against the Limited Partners under this Section 4.3 or such obligations are, by their terms, without recourse to the Limited Partners. Each Limited Partner shall be personally liable for the amount of any such Additional Capital Contributions.

4.3.2 A Limited Partner shall be obligated to make Additional Capital Contributions upon demand by the General Partner. Each demand for Additional Capital Contributions made by the General Partner shall be made by written notice to each of the Limited Partners, which notice shall state (i) the aggregate Additional Capital Contributions demanded of all Limited Partners, (ii) the Additional Capital Contributions demanded of such Limited Partner based upon the Sharing Ratio of such Limited Partner, and (iii) the date on which such Additional Capital Contributions are due. Each Limited Partner shall be obligated to contribute only his pro rata share of the aggregate Additional Capital Contributions requested of all Limited Partners.

4.3.3 Each Limited Partner shall have the obligation to make Additional Capital Contributions, as provided in Section 4.3.1, if, following liquidation of the Partnership and distribution of the proceeds of liquidation pursuant to Article IX hereof, the Capital Account of such Limited Partner shall have a deficit, but only to the extent of such deficit and only (i) to make distributions to Partners, if any, whose Capital Accounts are positive or (ii) to satisfy reserve creditors. No Limited Partner shall be required to restore any deficit to his Capital Account in an amount which exceeds his then remaining obligation to make Additional Capital Contributions.

4.3.4 The obligation of each Limited Partner to make Additional Capital Contributions is an amount equal to such Limited Partner's pro rata share of any obligation of the Partnership with respect to which Additional Capital Contributions may be required, as provided in this Section 4.3, may be enforced directly against such Limited Partner by any person or entity which is entitled to payment or satisfaction of such obligation of the Partnership, including, without limitation, general creditors of the Partnership and the banks that are parties to the Loan Agreement. Any payment made by a Limited Partner directly to such a person or entity pursuant to this Section 4.3.4 shall be an Additional Capital Contribution.

4.4 Defeasance of Payments of Additional Capital Contributions. If following a demand by the General Partner for Additional Capital Contributions pursuant to Section 4.3 any Limited Partner shall default in the payment of an Additional Capital Contribution, the General Partner, in its sole and absolute discretion and to the extent permitted by applicable law, may (i) extend the time of payment, (ii) enforce the Limited Partner's obligation to make such Additional Capital Contribution by appropriate legal proceedings, (iii) sell or assign such Limited Partner's Unit in the Partnership, in which event the proceeds of the sale or assignment shall first be applied to the payment of the expenses of the sale or assignment, next to the payment of the interest and principal of the unfulfilled obligation to make Additional Capital Contributions and the balance, if any, shall be remitted to the Limited Partner, or (iv) pursue any other remedies that it deems advisable including, without limitation, remedies afforded under applicable state law. Notwithstanding the foregoing, the General Partner may not take any of the foregoing actions in derogation of the rights of any person or entity which is entitled to payment or satisfaction of the obligations of the Partnership with respect to which Additional Capital Contributions may be required. Upon the failure of a Limited Partner to make an Additional Capital Contribution, interest on such unpaid amount shall accrue from the due date of such Additional Capital Contribution and shall be payable at the rate of 20 percent per annum, or, if lower, the then maximum rate of interest permitted by applicable law.

4.5 Return of Capital Contributions. Except as otherwise expressly provided in this Agreement, no Partner shall have the right to demand the return of all or any part of his Capital Contributions until the Partnership has been dissolved and liquidated, and any return of such Capital Contributions shall be made solely from the assets of the Partnership and only in accordance with the terms hereof. No Partner shall be paid interest on any Capital Contribution to the Partnership or on such Partner's Capital Account. The Partnership shall not redeem or repurchase any Partner's interest in the Partnership and no Partner shall have the right to withdraw or receive any return of his Capital Contribution. Except as provided in this Agreement, no Partner shall have the right to demand or receive property other than cash in return for his Capital Contribution.

ARTICLE V

Costs and Expenses

5.1 Organizational Syndication and Other Costs. The Partnership shall pay or cause to be paid all costs and expenses incurred by or on behalf of the Partnership in connection with the transactions contemplated by the Memorandum relating to the offering of the Units, including, without limitation, legal, accounting, selling, filing, registration, consulting and printing costs.

5.3 Bank Loan Fees and Related Expenses. The Partnership shall pay or cause to be paid all bank loan costs, including debt syndication fees, loan origination fees and commitment fees, incurred in connection with the Loan Agreement and the ML Leasing Loan.

5.3 Operating Costs. The Partnership, subject to the terms of this Agreement, shall pay or cause to be paid all costs and expenses of the Partnership incurred in pursuing and conducting, or otherwise relating to, the business of the Partnership, including without limitation, all costs and expenses incurred in connection with the Loan Agreement, the Management Agreement and the Sale Agreement.

ARTICLE VI

Profits and Losses; Distributions

6.1 Profits and Losses.

6.1.1 All items of income, gain, credit, deduction and loss of the Partnership shall be determined on an accrual basis in accordance with the method of accounting followed by the Partnership for Federal income tax purposes.

6.1.2 The amount of (a) interest expense and loan origination fee attributable to the ML Leasing Loan accrued or amortized by the Partnership in each Fiscal Year and (b) interest income, if any, imputed to the Partnership under the federal income tax law from the payment of the obligations of the Electing Limited Partners to pay to the Partnership their Deferred Payment Obligations shall be allocated ninety-nine percent (99%) to the Electing Limited Partners and one percent (1%) to the General Partner. Such amounts of interest expense and loan origination fee which are charged and any such income which is credited to the Capital Accounts of the Electing Limited Partners as a class under this Section 6.1.2, shall be allocated among the Capital Accounts of such Electing Limited Partners in the ratio of the Units owned by such Electing Limited Partner to the total number of Units of all of the then Electing Limited Partners as of the first day of each such Fiscal Year.

6.1.3 Upon liquidation of the Partnership, the remaining balance, if any, of the loan origination fee attributable to the ML Leasing Loan which has not been amortized and allocated to the General Partner and the Electing Limited Partners in accordance with Section 6.1.2, shall be allocated ninety-nine percent (99%) to the Electing Limited Partners and one percent (1%) to the General Partner. The amount of such loan origination fee so charged to the Capital Accounts of the Electing Limited Partners as a class under this Section 6.1.3 shall be allocated among the Capital Accounts of such Electing Limited Partners in the ratio of the Units owned by such Electing Limited Partner to the total number of Units of all of the then Electing Limited Partners as of the first day of the Fiscal Year in which such Liquidation of the Partnership occurs.

6.1.4 The amount of any cancellation of indebtedness income to the Partnership as a consequence of the forced sale of a Defaulting Limited Partner's interest in the Partnership pursuant to Section 4.2.5 hereof and the application of the proceeds of such foreclosures towards payment of any portion of the outstanding balance of the ML Leasing Loan shall be allocated one-hundred percent (100%) to such Defaulting Limited Partner.

6.1.5 The amount of any Net Income, Gain, Income exempt from tax, Net Loss, Loss, syndication costs and fees of the Partnership (other than Selling Commissions) which are deductible under section 709(a) of the Code and expenses of the Partnership described in section 709(a)(B) of the Code as determined after the allocations provided for in Sections 6.1.2, 6.1.3 and 6.1.4 shall be allocated ninety-nine percent (99%) to the Limited Partners and one percent (1%) to the General Partner.

6.1.6 Selling Commissions paid by the Partnership with respect to the sale of a Unit to a Limited Partner shall be allocated to the Capital Account of such Limited Partner as of the date of admission of such Limited Partner to the Partnership.

6.1.7 The amount of any Net Income, Gain, Income exempt from tax, Net Loss, Loss, syndication costs and fees of the Partnership (other than Selling Commissions) which are nondeductible under section 708(a) of the Code and expenses of the Partnership described in section 705(a)(8)(B) of the Code which is credited or charged, as the case may be, to the Capital Accounts of the Limited Partners as a class under Section 6.1.6 shall be allocated among the Capital Accounts of the Limited Partners in accordance with their Sharing Ratios as of the first day of each such Fiscal Year.

6.2 Distributions.

6.2.1 Subject to legal prohibition or contractual or other restrictions, including any restrictions imposed by the contracts referred to in Section 3.3(iv), Cash Available for Distribution shall (unless applied to prepayment of borrowings with respect to the contracts referred to in Section 3.3(iv)) be distributed not less frequently than annually, ninety-nine percent (99%) to the Limited Partners and one percent (1%) to the General Partner.

6.2.2 Any Distributions to the Limited Partners as a class shall be distributed among the Limited Partners in accordance with their Sharing Ratios as of the first day of each such Fiscal Year.

6.2.3 It shall be a Partnership objective to make, prior to April 15 (or as soon as practicable thereafter) of each Fiscal Year, Distributions to the Limited Partners of the Federal Tax Allowance, subject to any restrictions on the making of Distributions contained in the contracts referred to in Section 3.3(iv) or in the documents and instruments executed pursuant thereto. If the Partnership makes payments of, or in lieu of, state income taxes on behalf of the Partners in any year, the Distributions in the following year shall be reduced below the Federal Tax Allowance to take account of the state income tax payments.

ARTICLE VII

Accounts

7.1 Books. The General Partner shall maintain complete and accurate books of account of the Partnership's affairs at the Partnership's principal office. The books of account shall be open to inspection and examination by any Limited Partner or his representative during reasonable business hours, upon reasonable notice to the General Partner.

7.2 Partner's Accounts. Separate Capital Accounts shall be maintained for each Partner.

7.3 Books and Records; Tax Matters; Audits; etc.

7.3.1 Prior to December 1 of each year (commencing in 1984), the General Partner shall send to each person who was a Limited Partner at any time during the current Fiscal Year prior to the sending of such report, a report estimating current Fiscal Year Net Income or Net Loss allocable to the Limited Partners.

7.3.2 The books of account shall be closed promptly after the end of each Fiscal Year. Within 75 days after the end of each Fiscal Year, each Partner shall be provided with an information letter from the General Partner and a Schedule K-1 (Form 1065) with respect to his distributive share of income, gain, deduction, losses and credits for income tax reporting purposes for the previous Fiscal Year, together with any other information concerning the Partnership necessary for the preparation of a Partner's federal income tax return and state income or other tax returns. The Partnership shall not be required to file any federal, state or local return on behalf of or for any Limited Partner. From time to time, and as promptly as practicable, the Partnership will inform the Partners of any state income taxes (or payments in lieu thereof) paid by the Partnership on behalf of the Partners.

7.3.3 Within 120 days after the end of each Fiscal Year, the General Partner shall send to each person who was a Limited Partner at any time during such Fiscal Year then ended an annual report containing: (i) a statement of financial condition of the Partnership as of the close of such Fiscal

Year, a statement of operations for the year then ended and a statement of change in financial position of the Partnership, all of which financial statements shall be audited by a nationally recognized accounting firm selected by the General Partner and shall be accompanied by an opinion of such accountant with respect thereto as to the accounting principles and practices on the basis of which such financial statements were prepared, the consistency of the application of such principles and practices, and any matters to which such accountants shall take exception; (ii) an unaudited statement showing the Cash Available for Distribution for such Fiscal Year; (iii) an unaudited report summarizing all of the activities of the Partnership during such year and setting forth the amount of fees and other compensation and remuneration paid by the Partnership for that year to the General Partner and its Affiliates; and (iv) a report providing any other pertinent information regarding the Partnership and its operations during the year then ended.

7.3.4 The General Partner may (but need not), in its sole and absolute discretion, make any elections under the Code (including, without limitation, an election under section 734 of the Code to adjust the basis of Partnership property under sections 734 and 743 of such Code, or comparable sections). In exercising its discretion in the performance of its obligations hereunder, and, without limitation on the foregoing, in determining whether to make an election under section 734 of the Code, the General Partner will, insofar as prudent, act in the best interests of the Limited Partners who caused the Partnership at the Closing and are subject to the "at risk" rules under section 469 of the Code, in the event of conflict between the interest of such Limited Partners and subsequently admitted Limited Partners or the General Partner.

7.3.5 Under Section 8.3.7 of this Agreement, the General Partner will not permit, consent to, or otherwise recognize as effective any sale, pledge, assignment or other transfer of a Limited Partner's Unit to a "tax-exempt entity" (as defined in Section 31(a)(4) of the Tax Reform Act of 1984 or any successor provision thereof). In the event, however, that any such unauthorized transfer is recognized as effective, and a tax-exempt entity, as transferee of the Unit, is recognized as a Limited Partner in the Partnership for federal income tax purposes, then, in lieu of the allocations provided in Article VI, the General Partner shall have the power to specially allocate to such tax-exempt entity all federal tax items attributable to that proportionate share of the Partnership's assets which is treated as "tax-exempt use property" (as defined in Section 31(a)(3) of the Tax Reform Act of 1984 or any successor provision thereof) by reason of such tax-exempt entity's interest in the Partnership.

7.4 Statement with Distributions. The General Partner may prepare and deliver to the Limited Partners, from time to time in its sole discretion during each Fiscal Year, in connection with Distributions, audited statements showing the results of operations of the Partnership to the date of such statement.

7.5 Blue Sky Information. The General Partner shall maintain for a period of at least four years a record of the information obtained to indicate that a Limited Partner meets the suitability standards for investors established by the Partnership, the Securities Act and the various state Blue Sky Laws. The General Partner shall prepare and timely file all reports required to be filed pursuant to all such applicable laws.

7.6 Exchange Act Documents. The General Partner shall prepare and file such registration statements, annual reports, quarterly reports, current reports, proxy statements and other documents, if any, as may be required under the Exchange Act, as amended, and the rules and regulations of the Securities and Exchange Commission thereunder.

7.7 Accounting Expenses. All expenses in connection with the keeping of the books and records of the Partnership and the preparation of audited or unaudited financial statements required to implement the provisions of this Agreement or required by any governmental authority with jurisdiction over the Partnership shall be borne by the Partnership as an ordinary expense of its business. Notwithstanding the foregoing, if the books and records so kept by the Partnership or the financial statements so prepared are challenged by any Partner, former Partner or any legal representative

chased, the entire cost and expense to the Partnership of all additional outside accounting work resulting from such challenge, if such challenge is unsuccessful, shall be paid and borne solely by the persons so challenging such books and records or financial statements.

ARTICLE VIII

TRANSFERS

8.1 General Partner. Prior to December 31, 1986, or such later date when the Management Agreement shall expire, the General Partner shall not resign or withdraw from the Partnership as General Partner or be voluntarily dissolved or liquidated without (i) the written consent or ratification of Limited Partners whose aggregate Sharing Ratios exceed fifty percent (50%), (ii) providing one or more successor general partners to whom the resigning General Partner shall assign his interest as General Partner in the Partnership, which successors shall be satisfactory to Limited Partners whose aggregate Sharing Ratios exceed fifty percent (50%), and (iii) delivering to the Partnership an opinion of the Partnership's counsel that such General Partner's resignation or withdrawal would not subject the Partnership to federal income taxation as an association taxable as a corporation and not as a partnership. Subsequent to December 31, 1986, or such later date when the Management Agreement shall expire, the General Partner may resign or withdraw from the Partnership as General Partner or be voluntarily dissolved or liquidated upon 90 days' prior written notice to the Limited Partners. In the event of resignation or withdrawal by, or dissolution of, the General Partner, the Limited Partners, acting pursuant to Section 8.2, shall elect whether to carry on the business of the Partnership by electing one or more such substitute general partners.

8.2 Transfers of Units by Limited Partners.

8.2.1 A Limited Partner may not sell, assign, pledge, encumber or otherwise transfer or create a lien or security interest in his Units except in accordance with the provisions of this Article VIII, and any attempt to do so will be null and void and of no force and effect whatsoever.

8.2.2 If a Limited Partner pledges, encumbers, or otherwise grants a security interest in or lien on his Units, such Limited Partner shall be referred to as a "pledgor", such transaction shall be referred to as a "pledge", and the party to whom such Unit is pledged shall be referred to as a "pledgee". If a Limited Partner sells, assigns, or otherwise transfers beneficial ownership of his Units, such Limited Partner shall be referred to as an "assignor", such transaction shall be referred to as an "assignment", and the party to whom such Unit is transferred shall be referred to as an "assignee".

8.2.3 A Limited Partner may not pledge or assign his Units unless:

(i) such pledge or assignment is in writing;

(ii) except as otherwise consented to by the General Partner, the pledgee or assignee meets all of the requirements applicable to an original subscriber for Units and consents in writing, in form and substance satisfactory to the General Partner, to be bound by all terms of this Agreement applicable, as the case may be, to pledgors or assignees, including, in the case of assignees, the agreements contained in Article XI;

(iii) the General Partner consents in writing to the pledge or assignment, which consent may be withheld in the sole discretion of the General Partner and in any event will not be given if such pledge or assignment (and, if a pledge, any subsequent assignment to the pledgee) would jeopardize the status of the Partnership as a partnership for Federal income tax purposes, cause a termination of the Partnership under the then applicable provisions of the Code, or violate, or cause the Partnership to violate, any applicable law or governmental rule or regulation, including, without limitation, any applicable federal or state securities law; and

(iv) an opinion from counsel to the pledgor or assignee (which counsel and opinion shall be in form and in substance satisfactory to the General Partner upon advice of its counsel) is

furnished to the Partnership stating that, in the opinion of said counsel, such pledge or assignment (and, if a pledge, any subsequent assignment to the pledgee) would not jeopardize the status of the Partnership as a partnership for federal income tax purposes, cause a termination of the Partnership under the then applicable provisions of the Code, or violate, or cause the Partnership to violate, any applicable law or governmental rule or regulation, including, without limitation, any applicable federal or state securities law, and such other matters as the General Partner may reasonably request.

8.5.4 Such Limited Partner agrees, upon request of the General Partner, to execute such certificates or other documents and perform such acts as the General Partner deems appropriate to preserve the status of the Partnership as a limited partnership after the completion of any pledge or assignment (or, if a pledge, any subsequent assignment) of a Unit under the laws of any jurisdiction to which the Partnership is doing business.

8.5.5 Such assigning or pledging Limited Partner agrees to pay, prior to the time the General Partner consents to a pledge or assignment of his Unit, all reasonable expenses, including attorney's fees, incurred by the Partnership in connection with such pledge or assignment.

8.5.6 The General Partner will agree to consent to any pledge to ML Leasing of any Unit purchased by an Electing Limited Partner under the Deferred Payment Contribution plan described in Section 4.3(8), and will further agree, that in the event of default by an Electing Limited Partner in payment of any installment of his Deferred Payment Obligation, the General Partner will consider in good faith a request by ML Leasing to transfer such Defaulting Limited Partner's Units to persons proposed by ML Leasing as assignees or substituted limited partners, provided such persons satisfy the requirements of assignees or substituted limited partners set forth in this Article VIII.

8.5.7 Under no circumstances will the General Partner permit or consent to a sale, pledge, assignment or other transfer of a Limited Partner's Unit to a "tax-exempt entity", as such term is defined in Section 31(a)(4) of the Tax Reform Act of 1984 and/or successor provisions thereto, and any attempt by a Limited Partner to do so will be null and void and of no force and effect whatsoever.

8.3 Pledges.

8.3.1 A pledgor of Units shall be entitled to receive distributions in cash or other property from the Partnership and allocations of income, gains, credits, deductions, profits and losses of the Partnership with respect to the Units pledged, and a pledgee shall have no right to such distributions or allocations.

8.3.2 A pledgor shall remain fully liable to make Additional Capital Contributions under Section 4.3 of this Agreement, and a pledgee shall have no obligation to make such Additional Capital Contributions.

8.3.3 If a pledgor gives notice to the Partnership in writing that it is entitled to exercise and intends to exercise its rights against the Units pledged and agrees in writing to be bound by the terms of the Partnership Agreement applicable to assignees, such pledgor shall thereafter become an assignee and such pledgor's pledgor shall be deemed an assignor.

8.4 Assignments.

8.4.1 An assignee of Units shall be entitled to receive distributions in cash or other property from the Partnership and allocations of income, gains, credits, deductions, profits and losses of the Partnership with respect to the Units assigned after the effective date of the assignment, and his assignor shall have no further right to receive such distributions or allocations.

8.4.2 An assignee shall have no obligation to make Additional Capital Contributions under Section 4.3 of this Agreement and his assignor shall remain fully liable to make such Additional

Capital Contributions; provided, however, that if such assignee was not a Limited Partner, such assignee's assignee shall remain so liable.

8.4.3 The Partnership and the General Partner shall be entitled to treat an assignee (or pledgee) of Units as the absolute owner thereof in all respects and shall incur no liability for Dispositions made in good faith to such assignee or pledgee until such time as the assignment of Units is recognized as effective by the Partnership. An assignment shall be recognized as effective by the Partnership on the date of a notification in writing of such assignment containing the information specified in Section 8.3.3 hereof if the date of such notification is within 30 days of the date on which such notification is filed with the Partnership, and otherwise shall be recognized as effective on the date such notification is filed with the Partnership.

8.4.4 An assignee of Units may, subject to the terms and conditions of this Article VIII, assign or pledge his Units.

8.5 Substituted Limited Partner.

8.5.1 The assignee of any Units may become a Limited Partner in substitution for the Limited Partner whose Unit(s) he acquires upon the written consent of the General Partner, which consent may be withheld in the sole discretion of the General Partner and in any event will not be given unless all of the following conditions are satisfied:

(i) a duly executed and acknowledged written instrument of assignment is filed with the Partnership setting forth the intention of the assignee and the assignee (or, if the assignee was formerly a pledgee, of the assignee) that the assignee become a substituted limited partner;

(ii) the assignee executes an irrevocable power of attorney, satisfactory to the General Partner, appointing the General Partner as the assignee's lawful attorney-in-fact for the purposes specified in Article XIII;

(iii) the assignee and assignee execute and acknowledge such other instruments, in form and substance satisfactory to the General Partner, as the General Partner may deem necessary or desirable to effect such substitution.

(iv) an opinion from counsel to the assignee (which counsel and opinion shall be satisfactory to counsel for the General Partner) is furnished to the Partnership stating that, in the opinion of said counsel, such substitution would not jeopardize the status of the Partnership as a partnership for federal income tax purposes, or cause a termination of the Partnership for the purposes of the then applicable provisions of the Code, or violate, or cause the Partnership to violate, any applicable law or governmental rule or regulation, including, without limitation, any applicable federal or state securities law; and

(v) prior to substitution, the substituted limited partner pays all reasonable expenses incurred by the Partnership in connection with such substitution, including attorneys' fees and the expenses of preparation and filing of any amendment to this Agreement.

By executing this Agreement, each Limited Partner shall be deemed to have consented to any substitution of an assignee in the place and stead of a Limited Partner permitted by the General Partner.

8.5.2 A substituted Limited partner shall be liable to make Additional Capital Contributions under Section 4.3 of this Agreement up to a maximum amount equal to \$110,000, less the aggregate amount of Additional Capital Contributions which were required to be made prior to such substituted limited partner's admission to the Partnership as a substituted limited partner, for each of such substituted limited partner's Units.

8.6 Substitution Required for Vote. Unless and until an assignee of a Unit becomes a substituted limited partner, such assignee shall not be entitled to exercise any vote with respect to such Unit.

8.7 Effective Date. The effective date of a substitution shall be the date of filing in the office of the Secretary of State of an amendment to the Certificate to reflect such substitution.

8.8 Death, Bankruptcy or Incapacity of Limited Partner. The death, Bankruptcy or adjudicated incapacity of a Limited Partner shall not cause a dissolution of the Partnership, but all of the rights of such Limited Partner shall devolve on his successor, executor, administrator, guardian or other legal representative for the purpose of settling his estate or administering his property (or, in the case of a corporation, trust or other entity that is dissolved or terminated, by a legal representative or successor), or in the event of the death of one whose interest is held in joint tenancy, pass to the surviving joint tenant, subject to the terms and conditions of this Agreement, and the Partnership shall continue as a limited partnership. However, such successor or personal representative shall become a substituted limited partner only as provided in Section 8.5 with respect to an assignee of a Unit. The estate of the Limited Partner shall be liable for all the obligations of the deceased, bankrupt or incapacitated Limited Partner.

ARTICLE IX

DISSOLUTION AND LIQUIDATION

9.1 Events of Dissolution. The Partnership shall continue until December 31, 2004, unless sooner dissolved upon (i) the removal, withdrawal, resignation, Liquidation or Bankruptcy (an "Event of Withdrawal") of the General Partner (whether or not in contravention of Section 8.1), (ii) at any time after December 31, 1998 or such later date that the Management Agreement is terminated, upon the consent of the General Partner and Limited Partners whose Sharing Ratios exceed fifty percent (50%) or (iii) the sale, exchange or other disposition by the Partnership of all or substantially all of the Partnership's assets, which shall cause an immediate dissolution of the Partnership. The Limited Partners shall have no power to dissolve the Partnership without the consent of the General Partner.

9.2 Reconstitution of Partnership. Notwithstanding the provisions of Section 9.1, upon the occurrence of an Event of Withdrawal, the Partnership may be reconstituted and its business continued upon the agreement in writing of all the Limited Partners to continue the Partnership and to elect one or more successor general partners, such action to be taken within 60 days after such Event of Withdrawal. In the event of the withdrawal or resignation of the General Partner (notwithstanding that such withdrawal or resignation is in contravention of Section 8.1) or the removal, Liquidation, Bankruptcy or permitted withdrawal of the General Partner and the reconstitution of the Partnership upon the election of one or more successor general partners, the interest of the General Partner or its legal representative in the profits, losses and Distributions of the Partnership shall be converted into the interest of a permitted assignee of a Limited Partner and may be admitted to the Partnership as a Limited Partner in the sole and absolute discretion of the successor general partner(s), as provided in Section 8.5. In the event of the reconstitution of the Partnership as herein provided, the successor general partner(s) will exercise the rights, powers and obligations hereunder of the General Partner (excluding, however, obligations of the General Partner against which the General Partner is not indemnified pursuant to Section 3.9 hereof) and shall have such interest in the profits, losses and Distributions of the Partnership as shall be agreed upon by the successor general partner(s) and the Limited Partners, upon execution of a written acceptance of appropriate agreements.

9.3 Final Accounting. Upon the dissolution of the Partnership, a proper accounting shall be made by the Partnership's independent public accountant from the date of the last previous accounting, if any, to the date of dissolution.

9.4 Liquidation. Upon the dissolution of the Partnership, the General Partner, or in the case of an Event of Withdrawal and the failure to reconstitute the Partnership as provided in Section 8.2, a person selected by Limited Partners whose Sharing Ratios aggregate more than fifty percent (50%), shall act as Liquidator to wind up the Partnership. The liquidator shall have full power and authority to sell, assign and otherwise dispose of all or any of the Partnership's assets and to wind up and liquidate the affairs of the Partnership in an orderly and businesslike manner so as not to involve undue expense. All proceeds from liquidation shall be distributed in the following order of priority: (i) to the payment of the debts and liabilities of the Partnership and expenses of liquidation, (ii) to the setting up of such reserves as the liquidator may reasonably deem necessary for any contingent liability of the Partnership, and (iii) the balance to the Partners in accordance with their then Capital Accounts after adjustment to reflect all Net Income, Net Loss, Gain or Loss (including unrealized appreciation or depreciation allocable in accordance with Section 8.5) for the Fiscal Year in which such liquidation occurs.

9.5 Distribution in Kind. If the liquidator shall determine that a portion of the Partnership's assets should be distributed in kind to the Partners, such person shall obtain an independent appraisal of the fair market value of each such asset as of a date reasonably close to the date of liquidation. Any unrealized appreciation with respect to such assets shall be allocated among the Partners (in accordance with Section 8.2, assuming that the property were sold for the appraised value) and distribution of any such assets in kind to a Partner shall be considered a distribution of an amount equal to the asset's appraised fair market value for purposes of Section 9.4.

9.6 Certificate of Cancellation. Upon the completion of the distribution of Partnership assets as provided in Sections 9.4 and 9.5, the Partnership shall be dissolved. The person acting as liquidator shall cause a certificate of cancellation to be filed in the office of the Secretary of State of Delaware and shall take such other actions as may be necessary or appropriate to terminate the Partnership.

9.7 No Recourse Against the General Partner. A Limited Partner shall look solely to the assets of the Partnership for the return of his investment, and if the property of the Partnership remaining after the payment or discharge of the debts and liabilities of the Partnership is insufficient to return such investment, he shall have no recourse against the General Partner or any of its Affiliates or any other Limited Partner. Distributions in accordance with the provisions of this Article IX upon dissolution of the Partnership will constitute a complete return to the Partners of their interests in the profits of the Partnership and their Capital Contributions, a final and complete distribution to the Partners of all their interests in the Partnership properties and its other assets and a final termination and settlement of any and all of the Partners' other interests in the Partnership.

ARTICLE X

Amendments to Agreement

10.1 Amendments. Amendments to this Agreement which are of an inconsequential nature (as reasonably determined by the General Partner) and do not affect the rights of the other Partners in any material respect, or which are contemplated by this Agreement (including, without limitation, those contemplated by Article VIII), or which correct typographical, ministerial or similar errors, may be made by the General Partner through use of the power of attorney granted in Article XII. No amendment to this Agreement shall be made without the written consent of all Limited Partners if such amendment would: (i) alter the limited liability of any Limited Partner or cause the Partnership to become a general partnership or (ii) increase the obligations of any Partner to the Partnership, including to make any Capital Contribution and any Additional Capital Contributions. No amendment to this Agreement shall be made without the written consent of Limited Partners whose Sharing Ratios exceed 75 percent if such amendment would: (i) reduce the percentage of Sharing Ratios required to remove the General Partner or to take any other action requiring the consent of the Limited Partners under this Agreement, (ii) change the term of the Partnership or its Fiscal Year, (iii) alter the allocation of Net Income, Gain, Net Loss, Loss or Distributions or (iv) alter

the provisions of this Article XI provided, that the written consent of each of the Partners shall be required as to any amendment described in this section the effect of which would be to affect non-uniformly the rights or obligations of all Limited Partners. Except as specified in this Section 10.1, any amendment to this Agreement may be made with the written consent of Limited Partners whose Sharing Ratios exceed 50 percent.

10.2 Adoption. Any proposal by the General Partner to amend this Agreement which requires the consent of the Limited Partners shall be accompanied by a written statement of the proposed amendment and an opinion of counsel (which may be owned by the General Partner) as to the legality of the proposed amendment and the effect of the amendment on the personal liability of the Limited Partners for the liabilities and obligations of the Partnership. Any proposed amendment shall be adopted if, within 60 days after the mailing of such amendment to all Limited Partners, the General Partner shall have received written approval therefor from the required number of Limited Partners. A written approval may not be withdrawn or voided once it is received by the General Partner; but a Limited Partner who totally objects to a proposed amendment may thereafter file a valid written approval. The date of adoption of an amendment pursuant to this Section 10.2 shall be the date on which the General Partner shall have received the requisite written approvals. Any proposed amendment which is not adopted may be resubmitted, but if any proposed amendment is not adopted, any written approval received with respect thereto shall be void and shall not be effective with respect to any resubmission of the proposed amendment. The General Partner shall give written notice to all Partners promptly after any amendment has become effective unless the effect of such amendment is solely to reflect the admission or withdrawal of one or more Limited Partners or a change in the identity of one or more Limited Partners.

ARTICLE XI

Meetings and Voting Rights

11.1 Meetings. Meetings of the Limited Partners for any purpose may be called by a General Partner and shall be called by the General Partner upon receipt of a request in writing signed by Limited Partners whose Sharing Ratios in the aggregate equal or exceed 25 percent at the time of such request. Notification of any such meeting shall be sent to the Limited Partners within 10 business days after receipt of such request. Such request shall state the purpose of the proposed meeting and the matters proposed to be acted upon thereof. Such meeting may be held at the principal office of the Partnership or at such other location within the United States as the General Partner may deem appropriate or desirable. In addition, the General Partner may, and, upon receipt of a request in writing signed by Limited Partners whose Sharing Ratios in the aggregate equal or exceed 50 percent of the time of such request, shall, submit any matter (upon which the Limited Partners are entitled to vote under this Agreement) to the Limited Partners for a vote by written consent without a meeting.

11.2 Notice and Quorum. Notification of any such meeting shall be given, not less than 10 days nor more than 60 days before the date of the meeting, to each Limited Partner at its usual address, or at such other address which it may have furnished in writing to the General Partner. Such notification shall be in writing, and shall state the place, date, hour and purpose of the meeting, and shall indicate that it is being forced at or by the direction of the Partner or Partners calling the meeting. If a meeting is adjourned to another time or place, and if any amendment of the adjournment of time or place is made at the meeting, it shall not be necessary to give notification of the adjourned meeting. The presence in person or by proxy of Limited Partners whose Units exceed 50 percent of the Units then outstanding as present or as represented may adjourn the meeting from time to time without further notice until a quorum shall have been obtained. No notification of the time, place or purpose of any meeting of Limited Partners need be given to any Limited Partner who attends in person or is represented by proxy (except when a Limited Partner attends a meeting for the express purpose of objecting at the beginning of the meeting to the transactions of any business on the ground that the meeting is not lawfully called or convened), or to any Limited

Partner entitled to such notice who, in a writing executed and filed with records of the meeting, either before or after the time thereof, waives such notification.

11.3 Record Date. For the purpose of determining the Limited Partners entitled to vote at any meeting of the Partnership or any adjournment thereof, the General Partner may fix, in advance, a date as the record date for any such determination of Limited Partners. Such date shall be not more than 60 days nor less than 10 days before any such meeting.

11.4 Proxy. Limited Partners may authorize any person or entity to act for them by proxy in all matters in which a Limited Partner is entitled to participate, whether by waiving notice of any meeting, or voting or participating at a meeting. Every proxy must be signed by the Limited Partner or its attorney-in-fact. No proxy shall be valid after the expiration of 11 months from the date thereof unless otherwise provided in the proxy. Except as provided in Section 10.3, every proxy shall be revocable by the Limited Partner executing it.

11.5 Rules. At each meeting of the Limited Partners, the General Partner shall adopt such rules for the conduct of such meeting as the General Partner shall deem appropriate.

11.6 Securities Exchange Act. As and to the extent that the Exchange Act, as amended, or any other federal or state securities law is applicable to the rules governing any meeting of Limited Partners (including any proxies or proxy statement related thereto), the provisions of such Act shall take precedence over any provision of this Article XI which may be inconsistent therewith.

ARTICLE XII
