

Articles of Amendment
of
The Articles of Incorporation
of
The Idaho Teachers Mutual Benefit Association

On May 10, 1961, a ballot was mailed to all members of the Idaho Teachers Mutual Benefit Association. The question submitted on this ballot was:

Shall the Articles of Incorporation of the Idaho Teachers Mutual Benefit Association be amended by adding to Section IV, a new section C which shall read as follows: ?

"C. The benefits of this Corporation may be extended to non-members of the Idaho Education Association as follows:

In any school district in which the membership in the Idaho Education Association on the part of the professional employees is and continues to be not less than 75%, and in which the school district proposes to pay a portion of the premium for any coverage provided by the Corporation, non-members, including professional personnel and non-professional personnel, or both, shall be eligible for such coverages as are paid for in part by the school district."

The returns of this referendum were: Yes 439 and No. 103, thus the amendment was approved by a majority of those voting.

In witness whereof the Idaho Teachers Mutual Benefit Association has caused these Articles of Amendment of the Articles of Incorporation to be executed in its corporate name and its corporate seal to be affixed hereto by its duly authorized officers, this 9th day of June 1961.
