RE: WEST BRANCH CANAL COMPANY (THE) File Number C 4741

Dear Mr. Cooper:

In checking our records, we would noted that the corporate existence of the above named corporation has expired. The articles of incorporation designated the duration of the corporate charter to be until December 10, 1990, and no amendment has been made to extend it.

Although the corporate existence has expired, legislation was passed which will now allow corporations to be revived if the only reason for their dissolution was lapse of the period of existence. You should file articles of amendment to extend the corporation's existence retroactively.

Please do not hesitate to contact this office if we may be of assistance in filing your new articles of amendment. We will gladly send the pertinent code sections, should you need them. You may telephone at (208) 334-2300.

Very truly yours,

Tonya Herold
