FIFTH: The mailing address of the Corporation shall be 7733 W. Emerald Street, Boise, Idaho 83704.

SIXTH: The Bylaws shall provide for the governance and regulation of the internal affairs of the Corporation, including amendment of the Bylaws.

SEVENTH: As further provided in the Bylaws, all corporate powers shall be exercised by or under the authority of, and the business and affairs of the Corporation managed under the direction of, the Corporation's Board of Directors. The number of Directors serving on the Board shall be fixed in accordance with the Bylaws, but shall in no event be fewer than one (1). The Directors shall be elected by shareholders of the Corporation in the manner and for the terms provided in the Bylaws.

EIGHTH: There shall be no personal liability, either direct or indirect, of any Director of the Corporation to the Corporation or its shareholders for monetary damages for any breach or breaches of fiduciary duty as a Director; except that this provision shall not eliminate the liability of a Director to the Corporation or to its shareholders for monetary damages for any breach, act, omission or transaction as to which the Code (as in effect from time to time) prohibits expressly the elimination of liability. This provision shall not limit the rights of Directors of the Corporation for indemnification or other assistance from the Corporation. Any repeal or modification of the foregoing provisions of this Article by the shareholders of the Corporation, or any repeal or modification of the Code which permits the elimination of liability of Directors by this Article, shall not affect adversely any elimination of liability,

right or protection of a Director of the Corporation with respect to any breach, act, omission, or transaction of such Director occurring prior to the time of such repeal or modification.

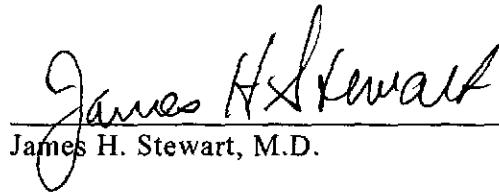

NINTH: Nothing in these Articles or the Bylaws shall be interpreted to in any way affect or invalidate any contract or transaction between the Corporation and any other entity, whether or not an affiliate subsidiary or parent corporation by the fact that any of the Directors or officers of this Corporation are pecuniarily or otherwise interested in, or are directors or officers or owners of, such other entity. Any Director, individually, or any other entity of which any Director or Officer may be a shareholder, officer, director or member, may be a party to or may be pecuniarily or otherwise interest in any contract or transaction of this Corporation provided that the fact that he or she or such entity is so interested shall be disclosed or shall have been known to the Board of Directors, or a majority of the members thereof; and any Director of this Corporation who is also a shareholder, owner, director, officer or member of such other entity, or who is so interested, may be counted in determining the existence of a quorum at any meeting of the Board of Directors of this Corporation which shall authorize such contract or transaction, with like force and effect as if he or she were not so connected with such other entity or were not so pecuniarily or otherwise interested.

TENTH: Nothing in these Articles shall be interpreted to abolish, repeal, modify, restrict, or limit the law now in effect in Idaho applicable to the professional relationship and liabilities between the person furnishing the professional services and the person receiving such and to the standards of professional conduct. Any shareholder, officer, employee, or agent of the Corporation shall remain personally and fully liable and accountable for any negligent or wrongful acts or misconduct committed by him, or by any person under his direct supervision and control, while rendering professional medical services on behalf of the Corporation. The Corporation shall be liable up to the full value of its property for any

negligent or wrongful acts or misconduct committed by any of its officers, shareholders, employees, or agents while they are engaged on behalf of the Corporation in rendering professional medical services.

ELEVENTH: In addition to the other powers now or hereafter conferred upon the Corporation by these Articles of Incorporation, the Code or otherwise, the Corporation shall possess and may exercise all powers to indemnify Directors, officers, employees, fiduciaries and other persons and all powers whatsoever incidental thereto (including, without limitation, the power to advance expenses and the power to purchase and maintain insurance with respect thereto), to the full extent permitted by Idaho law as now in effect and as amended from time to time. The Board of Directors is hereby authorized on behalf of the Corporation, and without shareholder action, to exercise all of the Corporation's powers of indemnification, whether by provision in the Bylaws or otherwise.

IN WITNESS WHEREOF, I have signed these Articles of Incorporation this 30 day of December, 2017.
