1. The name of the dissolved limited liability company is:
Cosmo Online Products LLC

2. The date the certificate of organization was originally filed: 06/16/2016

3. Other information concerning the dissolution (optional):

This Company has filed the required income tax forms electronically since inception and has never had any sales to report. I am not sure when this company was first started (4yrs?).

I was going to link products online and send them to other websites for a small fee. This business model turned out to be a scam. After I paid \$1000 to have a web page made and operational I was rejected as a legitimate business by Google and Amazon and informed by them they would not do business with me after 4 months of operation. When I did try to buy something through my website of the products I had permission to link to I was told by Google and Amazon I was not a real business and they did not allow me to use their web services. I closed down my website Cosmo Cosmetix. I did not take the time to close my business registered with the State of Idaho. The registered name is Cosmo Online Products LLC and I am now taking the time to dissolve this entity. I moved on 6/28/18 to 1210 W Belknap Dr, Nampa ID 83686. My previous address was PO Box 224, Hagerman, ID 83332. You can use my previous address to respond and it will be forwarded to me at my new address.
