AK Correction

To whom it may concern:

The annual report that was submitted in June incorrectly is showing Christy A. Newlan as Manager for the Brown Boys, LLC. She does not have ownership in the LLC, but rather, she is our Office Manager. The two (2) Officers of this LLC are Michael J. Brown, Member (managing member) and Amandalyn Brown, Member.

Please correct that on our record with the Secretary of State? If there are any questions, please call me at (208) 316-1850.

Thank you,

Amandalyn Brown

Member, The Brown Boys, LLC
