Re: C106735 Merril Blake, Inc.

To whom it may concern:

As year end approaches, we understand that your files reflect Wanda Blake as President and Merril Blake as Secretary, when in fact Merril Blake is President and Wanda Blake is Secretary. We appreciate you updating your files to reflect the same and these officers have been duly elected as per our director's meeting. Thank you.

Sincerely,

Merril Blake, Pres.
