Dear Sir

Your kind favor 12th duly received in reference to Silver King Gold Mine and Milling Co. at Warren Idaho

The Company has been none productive and not in operation for several years & last Nov. a year ago, its claims & Machinery sold for judgements by the Sheriff of Idaho Cty. at auction, H. Myers & Bros of Sacramento Ca being the purchasers I am a member of that firm.

I don't know if that puts the Silver King Gold mine and Milling Co out of Existence, hence would not make affidavit requested by you. Records of sale you can prove by writing to Grangeville
H. Myers & Bros have & are paying taxes on the property. Will be pleased to give you any information desired
