Re: Ida-Pacific, LLC  
Our File No. 011065

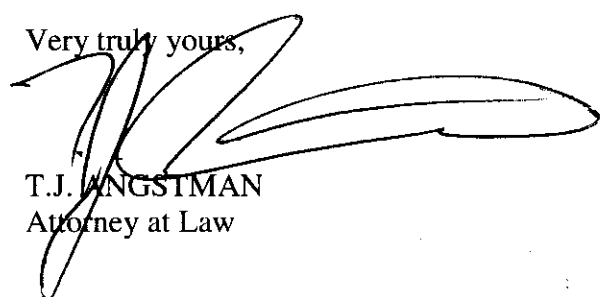

To Whom It May Concern:

I am the attorney for Ida-Pacific, LLC. It has come to my attention that you have had an incorrect mailing address for this company for quite a period of time. The correct address for mail address to the *company* should be c/o Mike Willard, 1339 Hampshire Circle, Newport, California, 92660. There should be no change in the registered agent for this company.

Please send a new annual report form for the year 2002 to the company address shown above, and I hereby request that you take no action with regard to administrative dissolution of the company for a reasonable period of time so that the company can file its annual report once it receives it.

If you have any questions or comments, please do not hesitate to contact me.

Very truly yours,

  
T.J. ANGSTMAN  
Attorney at Law
