Officer Update

September 4, 2018

Secretary of State
P.O. Box 83720
Boise, ID 83720-0080

I am writing the Secretary of State's Office to inform you of our current officers as they differ from what was submitted on the Annual Report Form as of November 30, 2018. Our Lodge year runs from April 1 to April 1, and new officers are elected every February, or when an officer leaves office for some reason prior to completion of the normal term.

Scott Duff from last year's annual report resigned his office and Kevin Poor was elected to complete his term of office. James Potter from last year's application completed his term of office, and Spencer Monk was elected to replace him. Chris Olsen and David R. Purcell were reelected to fill the offices of Treasurer and President, respectively; and Robert Stahl was elected as Vice President, filling that position which was vacant on last year's annual report. Minutes of the meetings when these actions occurred are included. The terms used in our minutes of "Exalted Ruler" and "Leading Knight" are equivalent to "President" and "Vice President."

In addition, I am providing the appropriate information for the new officers which is usually submitted when updating the annual report as follows (The information for President Purcell remains unchanged.):
