PAMELA ALBERTA HENDRON

Sharon,

I'm signing this only to release
myself of all responsibilities because I didn't
resign I was fired without any explanation
at all except for employee dissatisfaction
which was not true at all. If you could
I would appreciate an explanation
as to why I was really fired and why
no compensation pay was involved. I
really see no reason for any of it as I
was working to my fullest for this man.
Please send Robert a copy of my
Statement.

Thank you
Dert
