Subject: **Annual Report Past Due**

Filing Name: RC FRAMING AND ACOUSTICAL LLC

Filing Number: 0003726854

Annual Report Due Date: 01/31/2023

Dear Business Entity:

Please note: You are receiving this email from the State of Idaho because you are listed as a contact on the above named business in the Idaho Secretary of State Corporate Filing System.

This is not a solicitation. This is your notice that your Annual Report filing is now available for submission and replaces the previous postcard notification system utilized by the Secretary of State.

Your Annual Report is now past due. Failure to file the Annual Report within 60 days of the due date shown above will result in the administrative dissolution/revocation of your business.

For your convenience, you can file your Annual Report electronically through sosbiz.idaho.gov My Records. In order to file your Annual Report online you need the following information: File Number, name and business address of principal officers, governors, directors, or managers.

Click the Login button in the upper right corner of sosbiz.idaho.gov. (If you've forgotten your password, use the forgot or change password link.)

Once logged in, select "My Records" from the blue navigation bar on the left side.

From the list that appears, select the company named above. A series of icons will appear in a panel on the right side of your screen.

Select "File Annual Report". It should be at the top of the panel.

Complete and file your annual report, making any necessary changes. (If no changes are needed, you must still submit a report.)

Once completed, you will be able to download a copy for your records.

If you are no longer transacting business, you may choose to file online dissolution and termination (or withdrawal) documents along with the required fees to dissolve your business with the Secretary of State's Office. If you choose not to do so and do not file an annual report within 60 days following the due date, your entity will be administratively dissolved/revoked for failure to file Annual Report.

If we can be of assistance, please call the Division of Business Services at (208) 334-2301.
