Dear Sir,

Re: Bottle Gnek Inc.

Please remove Craig J. McLurg as a Director of Bottle Gnek Inc (incorporated in the State of Idaho) and as an officer effective Friday, August 12, 2005. . On that date all my duties were terminated and I ceased to be involved in the day-to-day activities of the company.

Attached is a letter that Craig McLurg sent to the Board of Directors in February informing them of the same. Apparently no paperwork was completed so I am asking you to complete my removal as Director.

Can you please send me confirmation of this?

Sincerely,

Craig J. McLurg

Directors of Vinamor.com

This letter is a confirmation of Craig McLurg's resignation from the Board of Directors of Vinamor.com effective Friday, August 12, 2005 after our teleconference call in which my duties were terminated and I ceased to be involved in the day-to-day activities of the company.

I understand that no paperwork was processed on that date other than to remove me from access to the bank accounts.

The expectation that I had after our conference call was that my shares were to be sold back to the company once sufficient funds were available to buy them. I was no longer involved in any way with Vinamor.com and I continue not to be involved in any way.

Sincerely,

A handwritten signature in black ink, appearing to read "C. J. McLurg", with a long, sweeping horizontal line extending to the right across the page.

Craig J. McLurg
