KNOW ALL MEN BY THESE PRESENTS:

That we, the undersigned citizens of the United States of America, of the age of twenty-one years or more, by these presents voluntarily associate ourselves together for the purpose of forming a non-profit corporation, pursuant to the provisions of Chapter 3 of Title 30 of the Idaho Code, and we do hereby certify:

ARTICLE I

NAME

The name of this corporation is RIVERSIDE CANAL COMPANY, and is formed as a non-profit corporation.

ARTICLE II

PURPOSES AND POWERS

A. The purposes for which the corporation is formed are to own, acquire, lease, hold, manage, control, operate and maintain an irrigation system, and water and water rights, all for the benefit of the corporation and its stockholders, upon certain lands lying along and in the vicinity of the west bank of the Snake River in portions of Sections 12, 13, 14, 21, 22, 23, 28 and 29 in Township 2 South, Range 35 East of the Boise Meridian in the County of Bingham, State of Idaho, for irrigation, domestic use, watering livestock and all other beneficial uses of water, and to conduct any business, and to do all and every thing necessary, suitable and proper for the accomplishment of any of the purposes or the attainment of any benefits for the corporation and its stockholders, not inconsistent with the laws under which the corporation is organized.

B. This corporation existed heretofore under the name of The Riverside Ditch Company, its original Articles of Incorporation having been filed for record with the Secretary of State on the 29th day of February, 1888. By amendments to Articles of Incorporation, among other things, its name was changed to Riverside Canal Company. Restated Articles of Incorporation were filed with the Secretary of State of the State of Idaho on February 23, 1981. The corporation's charter was forfeited, for failure to file annual statements, on December 1, 1983. Nevertheless, the corporation continued as a de facto corporation under and by virtue of the laws of the State of Idaho, continuing to elect directors and officers and operate for all intents and purposes as if its charter had never been forfeited. The purpose, therefore, of executing and filing these Articles of Incorporation with the Secretary of State is to re-instate said corporation as a legal corporate entity, recognizing the stockholders of the de facto corporation exactly as

they existed on the date of the execution of these Articles of Incorporation and for the purpose of acquiring from the de facto corporation all water rights and other rights and properties and assuming the liabilities, if any exist, as of date hereof, to continue and perpetuate the canal company entity. -

B. All stock shall be common stock and when fully paid shall not be subject to call. Each share of stock shall be entitled to one vote and all stock shall have equal rights.

C. The capital stock of the corporation may not be transferred except in connection with a transaction involving title to the real property to which that proportion of the water and conveyance rights of the corporation represented by such stock is appurtenant, or as otherwise provided by the By-Laws of the corporation, and only to the extent and in the manner provided in the said By-Laws and as the same may from time to time be amended.

D. The ownership of said stock shall be further limited and shall be held and transferred as provided for in the By-Laws. No share shall have pre-emptive rights, and each stockholder may vote by written proxy pursuant to any limitations contained in the By-Laws. ## ARTICLE VII

### SUPPLEMENTAL POWERS AND PURPOSES

A. In carrying out the purposes of this Corporation to furnish for its stockholders water for irrigation, domestic use, watering livestock and all other beneficial uses of water, the Corporation will issue stock to its stockholders in unequal numbers of shares, issuing to each stockholder the number of shares deemed sufficient for that stockholder's needs in the manner set

forth in the bylaws. The funds necessary for the accomplishment of said purposes can be raised by assessments on those shares.

B. This Corporation shall at all times be operated on a non-profit basis for the benefit of its stockholders. No interest or dividends shall be paid or payable to the stockholders by the Corporation.

C. In the payment of assessments, which shall be uniform on each share of stock, the business of the Corporation shall be so conducted that only sufficient funds shall be levied and collected from the stockholders as are necessary for the payment of its reasonable and necessary expenses in carrying out the purposes of the Corporation. Should an excess of funds be collected, by said assessments or by the rental or sale of surplus water in times of plenty, which shall exceed a reasonable sum to be retained in a reserve fund for the acquisition of water by lease, purchase or otherwise, in times of shortage, and after taking into account the Corporation's reasonable needs for normal business purposes, retiring indebtedness, expansion, or maintaining reserves for other necessary purposes, the same shall, at the discretion of the board of directors of the Corporation, be returned to the stockholders on a per share basis, or the Corporation shall reduce the amount of the next assessment on said stock, or both. The books and records of the Corporation shall be set up and kept in such a manner that at the end of each fiscal year, a record of the amount of surplus funds collected by the Corporation shall be made.

All such amounts received by the Corporation from its operations in excess of costs and expenses shall, insofar as permitted by law, be used to offset any losses incurred during the current or any prior fiscal year.

D. In the event of dissolution or liquidation of the Corporation, after all outstanding taxes and indebtedness of the Corporation shall have been paid, together with all costs of dissolution or liquidation, all gains from the sale of an appreciated asset, as well as all other assets, including funds of the Corporation, shall be returned to the stockholders on a per share basis.

## ARTICLE VIII

All present or past directors, officers, employees or agents of the corporation and the heirs or personal representatives of such person, shall be indemnified and may be advanced expenses by the corporation if said person was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than action by or in the right of the corporation) by reason of the fact that he is or was a director, officer, employee, or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including
