RE: SUN VALLEY GROUP INC. (Idaho Corporation)

officer resigned

Dear Sir:

Please review your records on the above named corporation for any reference to myself, Michael A. Atwell.

Should I be named in any way associated with the Sun Valley Group Inc., please remove my name and credentials, as they were used without my consent or knowledge.

Recent events has revealed that a Michael S. Brown, 524-78-4198, dba Mike Brown Company Inc., American Stair Company Inc., and as Unlimited Hair Design, 120 Rose St. North, Twin Falls, Idaho, may have been using my name and credentials, to gain minority preference on State and Federal Contracts, (I am an enrolled Native American).

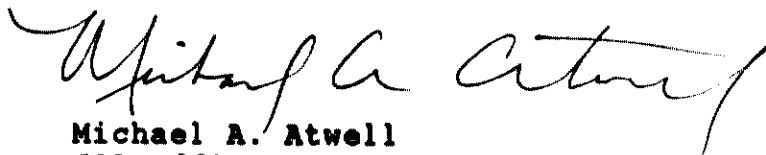

Mr Brown has several Construction related legal judgements in small claims court and district Court in Powers County and Twin Falls County, and may have others in Payette, Idaho also.

Additionally, Mr. Brown boasts of not filing Federal or State Income Tax, either Corporate or personal, since 1975 !

I have not bought any Corporate Stock, nor invested in Sun Valley Group Inc.....

I have contacted the State of Idaho Public Works Board and requested the same of them.

Respectfully Yours,

Michael A. Atwell
