Re: Fusco Construction, LLC

To Whom it May Concern,

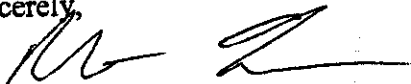

Please change the address of record for all future correspondence for Fusco Construction, LLC to the address noted above:

If there was any correspondence from you since the effective date of filing the Articles of Organization for a Limited Liability Company, October 4, 2007, I did not receive anything. Please let me know if there has been any paperwork mailed to me that needs my attention, and what needs to be done. A duplicate mailing would be appreciated.

Thank you in advance for your assistance in this matter. If you have any questions or need further information, please do not hesitate to contact me.

Sincerely,
