RE: State of Idaho Certificate of Authorization

Dear Ladies and Gentlemen:

The application for a Certificate of Authorization for SD Engineering LLC was reviewed and approved. Enclosed you will find Certificate of Authorization #4286. The original application covers the period through August 31, 2022. A notice of renewal will be sent to you approximately thirty days prior to the renewal date.

We call your attention to Section 54-1235, Idaho Code (Practice by a Business Entity) of the Engineering and Land Surveying Law, which provides that the business entity must keep the Board advised of changes in professional engineers who will have responsible charge of the professional engineering work done in Idaho.

If you have not already done so, you may be required to file a Foreign Registration Statement with the Secretary of State's office. They can be contacted at (208) 334-2301 for further information.

Sincerely yours,

Jennifer Rowe
Administrative Assistant
