SECRETARY OF STATE  
STATE OF IDAHO

Because of the 2015 and 2016 annual reports being filed inaccurately, the board of directors has put in place a process to formally review the corporation's annual reports prior to authorizing future annual reports for publication. The board of directors apologizes to the Secretary of State for these events occurring and the additional work required to amend the 2015 and 2016 annual reports.

The board of directors requests that the Secretary of State allow the corporation to file an amended annual report for 2015 and 2016, so that the members of the board during those years can be accurately listed to correct the corporation's record.

Respectfully,  
The Board of Directors – Woodside Creek Home Owners Association Inc.
