### Trusts and Trust Funds

Notwithstanding the provisions of Article IV, any donor or testator may direct that his or her gift shall be held in such charitable trusts as may be specifically designated by said donor or testator and in such case his or her intentions shall be carried out by the Foundation. Donors or testators may give a principal sum to the Foundation for the benefit of said Foundation, and provide that the income thereof shall be payable to the donor during his or her life, or that it shall be paid to a beneficiary or beneficiaries named by him or by her for life, or for some other period of time, and that after the termination of the estate or estates so provided, the income or principal shall be disbursed as part of the unrestricted income or principal of said Foundation in accordance with Article IV or for such charitable purposes as the donor or testator may specify in accordance with this Article V.

Subject to any written agreement with the donor or testator to the contrary, if any fund, the income of which is directed by the donor or testator to be paid to any donor or other beneficiary, is commingled, the Foundation shall make available to pay to such donor or other beneficiary as income on such fund the average rate of return on such commingled funds.

If, at any time after such mingling of funds shall have taken place, it should thereafter for any reason be deemed by the Foundation as desirable or necessary to separate any fund or funds, each fund so separated shall be considered to be that proportion of the value at the date of separation of the principal or income of the combined funds as the value at the date of gift or such fund so separated shall bear to the total value of such combined funds at said last mentioned date plus any subsequent gifts valued as of the date thereof.
