To the secretary of state,

SECRETARY OF STATE  
My name is Roger Sheehy. I would like to request that the current name on file known as Sunnyside Automotive LLC stay the same, however please change the names on the managing members from Jerald Wadsworth and Connie Wadsworth to Roger D Sheehy Jr and Stefani C Sheehy. I have bought this business in full and have kept the name the same. We closed this deal on Friday January 20<sup>th</sup> at First American Title. I have attached a statement of change as instructed by your office as well.

Thank you for you help.
