Dear Sir:

This is to inform you of two address changes. The physical location of our corporate headquarters has changed to:

The Apollo Education Foundation, Inc.
c/o Sean Cross
2202 N. 22nd
Boise, ID 83702

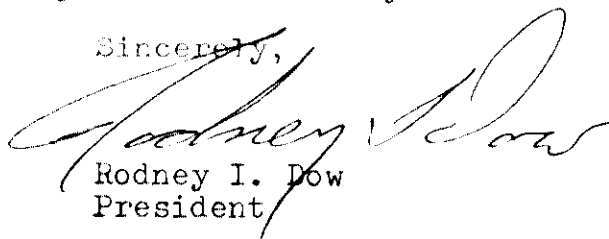

We have opened an office in Washington and will use it for our mailing address from now on. That address will work for all correspondence and is:

(The Apollo Foundation)
Rt. 2 Box 2575
Prosser, WA 99350

We have also recently received our official 501(c)(3) status from the IRS, effective retroactively to October 28, 1992.

That should bring us up to date. Thank you.

Sincerely,
