Officer update

Dear Sir or Madam:

The purpose of this letter is to serve as a mid year update of the Secesh Meadows Fire Department, Inc. annual report. The fire district has a DBA and is recognized as the Secesh Meadows Rural Fire District. The physical address is

105 Secesh Cemetery Road
Mc Call, ID 83638

The road to the meadow upon which the fire district is located is closed from early December to early June. Mail is not delivered during that period. I am Cris Bent the fire chief. We use my home address in Star as the fire districts mailing address. That may explain the delay in responding to your inquiry.

We have had a change in officers since June of 2013. Currently the officers of the district include-

Fire Chief	Cris Bent 6306 Foothill Road Star, Idaho 83669
Assistant Fire Chief	Troy Farmer 1074 E. Legacy View Meridian, ID 83646
President	Chuck Chohrach – Chuck also serves as Acting Treasure 2542 E. Whitebud Ct Meridian ID 83646
Vice President	Halli Gardner 2687 N. Old Stone Way Meridian, ID 83646

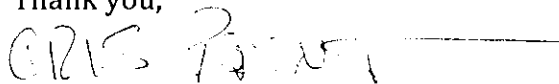

I trust this letter will serve as the mid year up date and will meet your requests. If you need additional documentation please let me know.
