This provision is effective on the date of the Corporation's incorporation. This provision shall not limit the rights of directors of the Corporation for indemnification or other assistance from the Corporation. Any repeal or modification of the foregoing provisions of these Articles by the shareholders of the Corporation, or any repeal or modification of the Code which permits the elimination of liability of directors by these Articles, shall not affect adversely any elimination of liability, right or protection of a director of the Corporation with respect to any breach, act, omission, or transaction of such director occurring prior to the time of such repeal or modification.
