Dear Rob:

This is to advise you formally what I have stated several times this last year on an informal basis regarding my need to resign my position as a board member of New Leaf, Inc. As you will recall, my consulting and counseling in private practice, coupled with an increased involvement with the Idaho Air National Guard, precludes my continuing with several commitments I've acquired over the years.

I remain impressed with the concept and thrust and intent of your program, as well as the hard work and energy you have and continue to expend in this regard. I certainly wish you future success.

Sincerely,

Wallace K. Pond, Ph.D., CADC
