Idaho Secretary of State

officer resignation

Dear Secretary of State Staff -

Please remove my name from the annual report of **How We Fund It, Inc.**, where I was listed as Secretary. I was never officially appointed to that role, nor was I even aware of having been listed as an officer of the company in the annual report that was filed in March-April 2017. It was only through a separate discussion with a member of your staff that I even became aware of the existence of this report. Please note that I bear no responsibility for any of the contents of the report or any potential legal responsibilities.

Attached is a Termination of Services letter signed by Kimberley Fisher, Owner and President of How We Fund It, Inc., releasing me from my role as an independent contractor, and clearing me of all legal liability related to How We Fund It, Inc., as of May 15, 2017.

Please let me know if you need anything further from me to remove my name from documents filed with your office in association with How We Fund It, Inc.

Respectfully,

Linda K. Lundquist

Letter of Termination of Services

Dear Linda Kay Lundquist,

With deep regret, I, Kimberley Fisher, inform you that on account of lack of foreseeable revenue, How We Fund It, Inc ("the company"), will no longer require your services. This letter serves as your official termination with effect from May 15, 2017.

In order to cut costs, the company is unable to pay any employees or independent contractors working for How We Fund It, Inc, headquartered in Coeur D'Alene, Idaho. As you may know, due to the unforeseen costs and the unexpected delay in starting membership drives in the Coeur D'Alene region, cost cutting has become a necessity. I regret doing this, but do not have any other option considering the financial situation of the company.

I appreciate your valuable contributions to the organization. The termination is in no manner related to any inefficiency or misconduct on your part. I'm certain that your efficiency and hard working nature will help you to find a good job. Do not hesitate to provide us as a reference to a future employer.

The inconvenience caused is highly regretted and the company will honor the 1.5% shares which were promised you in exchange for your founding work to help launch How We Fund It, Inc, beginning in July 2016. Share dividends will begin when How We Fund It, Inc, begins making revenue, and this agreement will stand, even if the company is renamed, sold, transferred, merged, acquired, or closed.

You will not be held responsible for any loss or debt accrued by the company, or any transactions on behalf of me, personally, or the company.

Your understanding in this matter is highly appreciated.

Signed:

Kimberley Fisher,
President and Owner of How We Fund It Inc
