STATE OF IDAHO

April 7, 2009

C/59729

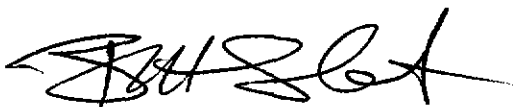

To whom this may concern,

*Resign off.*

This letter is to notify any and all parties involved that I, Bridgett Slater, hereby resign from the Living Word Christian Fellowship Board of Members. The actual date of resignation was effective August 13, 2008, but was not handled officially to the state registrar. Please make this note in your records.

Also, please send me a copy of the official paperwork stating this fact for my records. I need to be able to submit them to the State Tax Commission and other Authorities to protect myself.

Respectfully,

Bridgett Slater
