RE: Officer Update

To Whom It May Concern:

As with most non-profits, we change our officers after their term expires. We currently have Ann Leonardo listed as our President. In December, Leslie Benz took over as President. We are changing our signature cards with the bank to reflect this change and they require that we update our records with the Secretary of State for their requirements.

Can you file the appropriate form to indicate Leslie Benz as our current President and when I file electronically for our annual report, I will make the change.

If you have any questions, please let me know. If you can fax back the confirmation so that I can get the bank, I would appreciate it.

Best Regards,

Cheryl L. Bennett  
Executive Director
