CLERK OF DISTRICT COURT  
STATE OF IDAHO

2003 APR 30 PM 1:13

Atten: Idaho Secretary of State

To whom it may concern:

It has recently come to my attention that Alfonso Knoll and I are listed as directors of Environmental Reclamation Incorporated. However, Alfonso Knoll and I were never appointed to the board of director of Environmental Reclamation, Inc., Environmental Reclamation Inc., Environmental Reclamation Incorporated, Environmental Reclamation Incorporation, Environmental Reclamation Corporation and or any further possible Environmental Reclamation name variations. Could you please remove my name, Gregory Gennace, and Alfonso Knoll's name from the state records that have us improperly listed us as members of the board of directors of any and all corporate entities in the State of Idaho, that begin with Environmental Reclamation and have a suffix or a word that follows indicating that the entity is a corporation.

I appreciate your assistance in this matter.

Regards,

  
Gregory Gennace
