officer update

RE: updating our annual report so that we may renew our state beer and wine license. Blaine County Seniors Council, Inc.

Dear Secretary of State,

We have been told by Idaho State Police, Alcohol Beverage Control that it will not renew our beer and wine license until amendments are made to our annual report. I understand we cannot file a new report until October but our license expires July 31, 2015. There have been changes to our board since we filed our last report. Please see the attached sheet. It lists the ONLY people who should be listed on our annual report. Someone in your office today said they could update this information for us.

Please let me know if more information is needed.

Sincerely,

Karen Lukes
