In the event any of the said stock is not purchased by the corporation during such period, it shall be offered to the remaining shareholders in the same proportion as their respective stock interests, for a like price and for a similar period of time. Should any of the remaining stockholders decline to purchase his proportionate share of said stock during such period, that share shall be offered to the then remaining shareholders for a like price and for a similar period of time. In the event that any of said stock is not purchased by the corporation or the shareholders, the remaining stock may then be sold by the shareholder at the price of the bonafide offer of the third person. Notice of this restriction shall appear on all stock certificates.

If the corporation or stockholders dispute the purchase price of a bonafide offer, the purchase price shall be determined by appraisal. The cost and expense of the appraisal shall be borne equally by the selling and purchasing parties. If the value as determined through an independent appraisal is not satisfactory to either the selling or the purchasing party, the value of the shares shall be

determined by arbitration, as follows:

The purchasing party and the selling party shall each name an arbitrator. If the two arbitrators cannot agree on a value, they shall appoint a third arbitrator and a decision of the majority shall be binding upon all parties. Arbitration shall be in accordance with the rules of the American Arbitration Association, as such rules may be in effect at the time of arbitration, and as modified by the provisions of Idaho Code §7-901 et seq.. The cost of arbitration shall be borne entirely by the party dissatisfied with the value as determined through independent appraisal.

The terms of payment of the purchase price shall be the terms agreed upon by the selling and purchasing parties, if an agreement can be reached. If the parties cannot agree, the purchase price shall be paid with twenty (20%) percent down in cash within ten (10) days of the determination of the value of the shares to be purchased, and the balance shall be evidenced by a Promissory Note signed by the purchasing party. The note shall bear interest at a rate equal to the Federal Housing Authority rate of interest at the time of sale, and shall provide for monthly payments of principal and interest over three years, commencing thirty (30) days after payment of the down-payment. The note shall provide that in the case of default, at the election of the holder, the entire sum of the principal and interest will be immediately due and payable, and for the payment by the maker of reasonable attorney's fees to the holder in the event suit is commenced because of any default.

## **ARTICLE 9 REGULATION OF INTERNAL AFFAIRS**

The initial Bylaws shall be adopted by the Board of Directors. The power to alter, amend, or repeal the Bylaws or to adopt new Bylaws shall be vested in the Board of Directors.
