RE: First Benefit Plans Inc. (FBP Inc.)

Dear Mr. Secretary

Per the suggestion of a member of your staff, please be aware of the following circumstances with regard to the Idaho Corporation "First Benefit Plans Inc."

I was a 45% owner of FBP Inc. from its inception in August 1994 until August of this year (2003). I left FBP, sold my ownership and have had no further affiliations with FBP Inc. since that time (8/10/03).

Please consider this as formal notification of that fact.
If there is something further that I should do, please, let me know.

Sincerely

William R. Schnupp
