STATEMENT OF CORRECTION

Idaho Code § 30-6-206

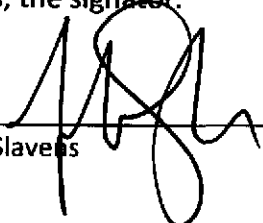

This Statement of Correction is to correct a record previously delivered to and then filed by the Idaho Secretary of State.

The record that contained inaccurate information or was defectively signed is entitled *Amendment to Certificate of Organization Limited Liability Company* regarding Twin G Holdings, LLC (W40557) filed effective 2013 Jan -3 PM 2:50.

The inaccurate information is two-fold:

1. The *Amendment* bears the signature of John C Slavens (the signator below for this *Statement of Correction*), but the *Amendment* was filed under circumstances and conditions contrary to the terms and conditions under which the *Amendment* was so signed by John C Slavens (the undersigned) and then entrusted it to the late James Kenneth Slavens for his use only.
2. The verbiage on the *Amendment* as filed on January 3, 2013 has been significantly altered from the time that it was signed and entrusted by John C Slavens to James Kenneth Slavens for his use only.
3. The verbiage alterations to the *Amendment* change the meaning and effect of the *Amendment* as it was when signed by John C Slavens.
4. I have never chosen or consented to Melanie A Slavens to be an LLC member or an LLC manager under the circumstances as altered and appearing on the January 3, 2013 filed *Amendment*.
5. The *Amendment* was signed by John C Slavens and then entrusted to the late James Kenneth Slavens for possible delivery only by James Kenneth Slavens to the Idaho Secretary of State for filing.
6. James Kenneth Slavens died on December 12, 2012 before ever having sent (or causing to be sent) the *Amendment* to the Idaho Secretary of State.
7. The *Amendment* was submitted to the Idaho Secretary State for filing by someone other than James Kenneth Slavens.
8. Therefore, separate and apart from the fact of the alterations, the use of the signed *Amendment* by whomever was beyond the authorization of John C Slavens, and makes the signature on and the *Amendment* itself defective.

The Correction specified in this Statement is that the *Amendment* is null and void as it was not filed under the limited circumstances and by the only person intended and authorized by John C Slavens, the signator.

John C Slavens
