Integrity Ballistics LLC

2. The date the certificate of organization was originally filed: 4/26/2010

3. Other information concerning the dissolution (optional):

Our LLC company is dissolving in Idaho and moving to Wyoming. We are grateful and appreciative for all the support received during our ten years in Idaho. Our company was originally conceived and established in Wyoming in the 2003 in a partner's garage and relocated to Idaho 2010. Operating in Boise, Idaho 2010-2020 was the ideal location during that growth stage for our less lethal ammunition start-up. We even received a 2015 Commercialized Innovation Award from the Idaho Technology Council which was a great honor. However, with the relocation of several business partners, it is now more practical to operate in Wyoming. We would like to remain in good standing. Thank you again Idaho.
