To whom it may concern:

1. Please amend the attached annual report submitted for the Jewish Community Center Corporation. When it was submitted online, two errors were found. Debra Shein should be listed as Director, not Treasurer, and Nancy Goodman should be listed as Secretary, not Director.
2. I have also enclosed a Statement of Change of Registered Office or Registered Agent. Please update your information accordingly.

If there are any questions, you may telephone me at 208-251-1697.

Thank you very much,

Debra Shein

Vice President, Jewish Community Center Corporation
