I am in receipt of your letter dated August 19, 1997. Please forgive my late response as I have been out of the country. I will give my consent to your clients to use the name of *Around The World*.

I would appreciate any referral if someone happens to call your company looking for me! Also, maybe we could discuss doing business together. Have your clients contact me when they are ready to go "around the world" looking for treasures for their store. I specialize in group and incentive travel. Perhaps, we could put a group together.

*Eva L. Henry*
