SECRETARY OF STATE
STATE OF IDAHO

September 8, 2008

C82450
Res. Officer

Dear Secretary of State:

As of April of 2008; Brian Davis resigned as an employee of Double D Service Center in Meridian, Idaho. His name shows as Secretary of the company in which he was not a secretary he was an employee; he had no knowledge of being the Secretary on the business entity. He was never an owner or share holder of this company. There is a lien on our personal home because the company is past due on paying their state taxes. We are trying to sell our home; we have it for sale and now if we sell our home part of the money goes to pay the stores past due taxes. As a Citizen of United States I feel our rights have been violated. We need to have this lien removed and placed on the business and not our personal home. My husband was only an employee of the company. Please remove his name from the form. If you have any questions please call (208) 870-9295.

Thank you,

Brian Davis
