The surviving corporation shall thereafter be responsible and liable for all liabilities and obligations of the absorbed corporation, and neither the rights of creditors nor any liens on the property of the absorbed corporation shall be impaired by the merger. If at any time after the effective date of the merger the surviving corporation shall consider to be advised that any instruments of further assurance are desirable in order to evidence the vesting in the surviving corporation of the title to any of its property or rights, the appropriate officers and directors are hereby authorized to execute and acknowledge all such instruments of further assurance, and to do such other acts or things, either in the name of the constituent corporations or in the name of the surviving corporation, as may be requisite or desirable to carry out the purposes of this agreement of merger as herein expressed.
