Attention Secretary of State:

On January 27th, 2014 the annual report form was filed online and it was filed with incorrect information. My office manager, Shalaine Nunez, filed this with the assumption that it was for our business, when in fact it is personal. The only person that should be on this form is myself, Steven M Bruce. Please take off the names Daniel Bruce, and Robert S. Ririe as being a liability. Please also take off Shalaine Nunez' name on the "attention to" line as well as having me be the only one that can sign. In addition, in the future please send to my address at 9600 W Pebblebrook Lane, Garden City, ID 83714.

Please correct this information as soon as possible so that I may continue with some business proceedings.

If you have any questions, please call me directly at 208-869-9956

Thank you

Steven M Bruce
