ATTENTION: President, Weigle Engineering

Dear Mr/Ms President:

Your application for a Certificate of Authorization to practice professional engineering through your business entity in Idaho was reviewed and approved. Enclosed you will find a Certificate of Authorization for Weigle Engineering. Your application and certificate covers the period through July 31, 2005. A notice of renewal will be sent to you approximately thirty days prior to the renewal date (August 1, 2005).

We call your attention to Section 54-1235, Idaho Code (Practice by a Business Entity) of the Engineering and Land Surveying Law, which provides that the business entity must keep the Board advised of changes in professional engineers who will have responsible charge of professional engineering work done in Idaho.

If you have not already done so, you may be required to file for a Certificate of Authority with the Secretary of State's office. They can be contacted at (208) 334-2301 for further information.

Sincerely yours,
