Re: DP Forest Products, Inc., C190058

Gentlemen:

Please file this as my resignation as the Registered Agent for DP Forest Products, Inc. I am aware that the entity is administratively dissolved, but this resignation is effective whether or not it is reinstated. They have a new attorney, and I assume that he will be the new registered agent or will handle the appointment of the proper person.

Thank you for your consideration.

Sincerely yours,

D. Blair Clark
