INSTRUCTIONS AND SUGGESTIONS

1. Article 1. The name MUST contain "Corporation," "Incorporated," or "Limited," or the abbreviation of one of those words.

2. Article 2. Insert "perpetual" or insert any limitation desired.

3. Article 3. May show definite purposes or may use language to the effect that the corporation may engage in any lawful activities authorized by Chapter 180.

(The statute expressly states that it is NOT necessary to enumerate the powers.)

4. Article 5. This means, in substance, that this article must show all the rights, privileges, and restrictions as between classes of stock and as between series of stock in any class. If desired, a provision may be inserted authorizing the directors to fix the variations in rights as to series of any class. If none so state.

5. Articles 6 and 7. The corporation must have a registered office and a registered agent at such office. A change of registered office or agent may be filed at any time, on authority of the board of directors.

6. Article 8. If it is not desired to have the by-laws fix the number of directors, the second sentence of Item 8 may be stricken.

7. The number of incorporators is unlimited; there may be only one or there may be as many as desired.

8. Article 10. This article is provided as a place in which to insert any desired material such as restricting preemptive rights, stock-transfer restrictions, quorum provisions, etc.

9. Articles must be executed and sent to the Secretary of State, Madison 2, in duplicate—one to be filed in his office, and one which will be certified and returned and which must be recorded in the office of the register of deeds of the county wherein the registered office is located. Corporate existence will commence when articles are left for record with the register of deeds.

10. FEES. If stock is \$25,000 or less, \$25.00. If the stock is more than \$25,000, fee is \$1.00 per \$1,000. For stock of no par value, 1250 shares or less, \$25.00; more than 1250 shares, 2¢ per share. If stock of par value and stock of no par value, \$1 per \$1,000 on the par value stock plus 2¢ per share on the no par stock; minimum fee, \$25.00.
