RE: Bank in company name request

Dear Mr. Pinegar:

Your email dated May 4, 2015, requesting approval of the name "Landbank Laboratories, LLC" for use in the state of Idaho has been received by the Idaho Department of Finance (Department) and reviewed by Department staff. We understand from your letter that "Landbank Laboratories, LLC" is an organization that will perform urinalysis (UA) testing for the purpose of drug and alcohol screening. We further understand that the organization will not operate in Idaho as a depository institution or conduct the business of banking.

Section 26-1202 of the Idaho Bank Act prohibits any person, other than a national bank, not authorized to operate as a bank under the Act, to advertise or use as part of its company name the word "bank" or "banker" or any other word of similar import. The Bank Act does not authorize the Director of the Idaho Department of Finance to waive the requirements of that law. Rather, the Department is offering "no objection" to the company's use in Idaho of the company name "Landbank Laboratories, LLC." Under the circumstances set forth in your letter, we do not believe the name proposed by the company for use in Idaho is misleading to the public. While the Department does not intend to pursue an action under this statute, it is possible that another agency may do so. However, we believe the likelihood is slight.

Please feel free to contact the Department if you have any further questions.

Sincerely,

Mary E. Hughes
