### CERTIFICATE OF VERIFICATION.

THIS IS TO CERTIFY, That at a meeting of the members of Cole Community Church, duly convened at the church house of said organization, near the Cole School, in Ada County, State of Idaho, on Sunday the 11th day of April, 1948, I, being the Pastor of said organization, was requested to preside over the meeting which I did. A majority of the members of the association were present at the meeting and voted on all questions presented for consideration.

The meeting decided by majority vote that the number of trustees of the organization should be five and that such trustees when elected should proceed to incorporate the organization under the laws of the State of Idaho, the name of the corporation to be Cole Community Church, Inc; and that said trustees should have full power to take charge of and manage the church building, estate, property of whatsoever nature and the temporalities thereof, including the power to hold title to real property and to mortgage, convey and otherwise deal with said real property, and to do all acts and things necessary to be done for the furtherance of the object for which the church is founded as set forth in the articles of incorporation of said church, to which this certificate is attached. Five trustees were elected as set forth in said articles of incorporation, to which said articles reference is hereby made, and by such reference is made a part hereof.

I further state that I have read the articles of incorporation of the Cole Community Church, Inc., to which this certificate is attached, know the contents thereof, and that all the statement of all matters and things therein contained are true, as I verily believe. That E. H. McReynolds was elected in the place of Everett Annan, resigned, and signed these articles. That G. C. Coonrod who signed these articles is the same person as S. C.
