Soda Xtreme Softball is a non-profit youth sports organization dedicated to teaching softball fundamentals and life skills using good sportsmanship, leadership, positive coaching, and peer and parent communication as our cornerstone. It is our goal to prepare girls to learn and play the game of softball in a fun, healthy and safe environment. We emphasize the importance of respect for teammates, opponents, coaches and officials. We not only strive to teach game skills, but life skills, as well as building lasting relationships with good friends. We want every player's experience to lead her back to play year-after-year with Soda Xtreme Softball.
