Dear Ben Ysursa, Secretary of State:

Barnes, Inc. has discovered an error on our Annual Report Form dating back to 2009 filings (reporting went from paper to on-line). For unknown reasons Barry M. Barnes is no longer listed as President, only as a Registered Agent.

Under section 4 Brice J Barnes is correctly listed as Secretary, whereas Barry M Barnes should also be listed as President. As a result, we are requesting our Annual Report to be amended/ updated.

Sincerely,

Erica Fisher
