RE: LLC # W62243, DBHJM LLC

It has recently come to my attention that I am listed as a member of the above referenced LLC. This LLC originated in May 2007 with my daughter and son-in-law as owners. Due to a divorce and serious medical issues with my daughter, my name was put on the LLC in May 2009. The LLC changed names in July 2009 at which time I thought my name was removed. However that didn't happen.

I am requesting that my name and information be removed from this LLC as soon as possible. I have nothing at all to do with this LLC and/or business.

Thank you,
